Dear MISS THERESA may.

We have noted as of this day the 12 December 2022 that there has been no response to our previous correspondence and to that effect there is a formal and binding agreement to the following effect.

Security by way of lien Number: HOH--THERESA may--HOHO610

Affidavit of Truth and Statement of Fact

1. I, Baroness Yvonne of the House of Hobbs (being the undersigned), do solemnly swear, declare, and depose:
2. That I am competent to state the matters herein and that I do take oath and swear that the matters herein are accurate, correct, honest, and true as contained within this Affidavit of Truth and Statement of Fact.
3. That I am herein stating the truth, the whole truth, and nothing but the truth, and that these truths stand as fact till another can provide the material, physical, and tangible evidence and substance to the contrary.
4. That I fully and completely comprehend that before any charges can be brought, it must be first proved, by presenting the material, physical, and tangible evidence and substance to support the facts, that the charges are valid and have substance that can be shown to have a foundation in fact.
5. That I have first-hand knowledge of the facts stated herein.
6. That all the facts stated herein are accurate, correct, honest, and true, and are admissible as material evidence, and that if I am called upon as a witness, that I will testify to their veracity.
7. That the eternal, unchanged principals of truth are as follows:
 - a) All are equal and are free by natural descent.
 - b) Truth is factual and not subjective to belief, which is nothing of any material, physical, or tangible substance in fact.
 - c) An un-rebutted Affidavit stands as the truth and fact.
 - d) An un-rebutted Affidavit is the documented fact and truth on and for the record.
 - e) All matters must be expressed to be resolved.
 - f) He who does not rebut the Affidavit agrees to it by default.
 - g) He who does anything by another's hand is culpable for the actions of the other's hand.
 - h) A security by way of a lien is, first and foremost, an agreement between the parties, as there is no disagreement between the parties.
 - i) That he who stands as surety, by providing the security by way of a lien, stands in honour, as that surety is undertaken by agreement, without coercion, duress, or protest, and without the threat of harm, loss, or injury, and, as such, stands in honour for the harm, loss, or injury by their own hand.
8. That a security by way of a lien, which is a commercial process (including this Affidavit), is non-judicial and pre-judicial, and:
 - a. That no judge, court, government, or any agencies thereof, or any third parties whatsoever, can abrogate anyone's Affidavit of Truth and Statement of Fact, and;
 - b. That only a party affected by an Affidavit can speak and act for himself and is solely responsible for responding with his own Affidavit of Truth and Statement of Fact, which no one else can do for him, where there is material, physical, and tangible evidence and substance in fact, which definitively is a firm foundation to rebut the rebutted affidavit.
9. That these facts, which form the main body of this Affidavit of Truth and Statement of Fact, are as follows, and that the material, physical, and tangible evidence and substance to support these facts is provided as exhibits and material, physical, and tangible evidence and substance as a foundation of these facts.
10. It is now on and for the record as of the 12 December 2022 that this is a formal agreement between MRS YVONNE HOBBS and MISS THERESA may (Claimant in the position of Member of Parliament for HM Parliaments and Governments Company/State that and MISS THERESA may (Claimant in the position of Member of Parliament for HM Parliaments and Governments Company/State has agreed to stand as a surety for a security by the way of a lien for the restoration for the criminal offences of fraud and malfeasance in the office of HM Parliaments and Governments Company/State.

From BaronessV@proton.com

11. That there is a formal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments Company/State that the claim made by MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments Company/State that there is a legal and legitimate government is fraudulent in nature which is fraud by misrepresentation and carries a term of incarceration of seven (7) to ten (10) years and the latter where there is multiple instances of AND that there is a formal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments Company/State that MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments Company/State has formally agreed to stand for commercial charges to the same degree.
12. That there is a formal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments Company/State that the above noted and formally agreed Fraud by misrepresentation is also malfeasance by MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments Company/State which carries a term of incarceration of twenty five years (25) which is accumulative AND that there is a formal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments Company/State that MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments Company/State has formally agreed to stand for commercial charges to the same degree.
13. That there is a formal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments Company/State that the above noted and formally agreed Fraud by misrepresentation and Malfeasance by MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments Company/State is a recognised and demonstrated intention to cause distress and alarm which is also a wilful and belligerent act of terrorism AND that there is a formal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments Company/State that MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments Company/State has formally agreed to stand for commercial charges to the same degree.
14. These are very serious crimes MISS THERESA may and under current state legislation there is a cumulative period of incarceration in excess of 150 years'. We would not wish to encumber the public purse for the costs of this incarceration as the public purse can ill afford this financial encumbrance. There is however an alternative and recognised process as suitable agreed remedy.
15. As there is now an agreement between the parties, as MISS THERESA may has already agreed to the crime then we elect to charge you under this agreement. As the crime was committed against ourselves then we reserve the right to choose the remedy for these crimes.
16. Where there is a crime then there is a requirement for a remedy otherwise the crime goes unresolved. As we now have an obligation to bring this crime to resolution we therefore have given MISS THERESA may an opportunity to resolve and MISS THERESA may has elected to stand as surety.

Surety and security by way of an agreed lien.

17. In accordance with the traditions of this land, and as this is a lien, this will be published in all the necessary places.

From BaronessV@proton.com

18. Ignorance is no defence for committing criminal acts. Considering the position that MISS THERESA may (Claimant in the position of Member of Parliament for HM Parliaments and Governments Company/State holds that MISS THERESA may (Claimant in the position of Member of Parliament for HM Parliaments and Governments Company/State should have shown more diligence and accountability in the office. It is an agreed fact and due to the severity of the most grievous agreed criminal offences, that MISS THERESA may (Claimant in the position of Member of Parliament for HM Parliaments and Governments Company/State is no longer a fit and proper person to hold any trusted position in service in the office.
19. It can also be considered that since these most grievous agreed criminal offences have been committed in the office of HM Parliaments and Governments Company/State which is detrimental to the function and the interests of HM Parliaments and Governments Company/State and that MISS THERESA may (Claimant in the position of Member of Parliament for HM Parliaments and Governments Company/State has acted in an ultra vires capacity in the position as Member of Parliament for HM Parliaments and Governments Company/State and without the legal authority to do so, it can be concluded that MISS THERESA may (Claimant in the position of Member of Parliament for HM Parliaments and Governments Company/State could be held culpable for their actions as not in the best interests of HM Parliaments and Governments Company/State and constitutes an enemy of the State.
20. Let it be known on and for the record that MISS THERESA may is no longer a fit and proper person to be in a position of trust.
21. Let it be known on and for the record that due to the compartmentalisation and lack of full disclosure by executive officers of HM Parliaments and Governments Company/State that MISS THERESA may (Claimant in the position of Member of Parliament for HM Parliaments and Governments Company/State may have had no knowledge that his actions were criminal and ultra vires in nature.
22. Let it be known on and for the record that MISS THERESA may (Claimant in the position of Member of Parliament for HM Parliaments and Governments Company/State has chosen, of their own free will, to stand as surety for a security by the way of a lien to the amount of fifteen million pounds GBP £15,000,000.00 GBP).
23. From the Exhibit (F) in the House of Ward Affidavit of Truth and Statement of Fact, which is on and for the record, it is noted that the Great British Pound (£) legal tender or fiat currency, whichever term is used, is representative of confidence, faith, and belief, so this surety for a security by way of a lien is equal to fifteen million pounds (£15,000,000.00) GBP of confidence, faith, and belief.
24. Let it be known on and for the record that confidence, faith, and belief is nothing of any material, physical, or tangible evidence or substance in fact.
25. Let it be known on and for the record that since MISS THERESA may (Claimant in the position of Member of Parliament for HM Parliaments and Governments Company/State has agreed to this remedy of their own free will, in full knowledge and understanding, without coercion or deception, and without threat of harm, loss, or injury, that MISS THERESA may (Claimant in the position of Member of Parliament for HM Parliaments and Governments Company/State stands in honour, and his dignity is restored by their own hand in the community regarding this matter.

Silence creates a binding agreement.
So let it be said. So let it be written. So let it be done.
Without ill will or vexation.

Dear MISS THERESA may,

We would bring your attention to the attached Affidavit which was served upon the 657 MP's and officers of government on the 28th day of February 2015 which is also a Published and Public Affidavit by way of a public declaration on the 28th Day of March 2015 which is also published here.

<https://www.facebook.com/groups/798269636907862/files/> and we note that MISS THERESA may was one of the 657 recipients by email of the same Affidavit on the 4th day of November 2020.

We would note to MISS THERESA may that the legal function of an Affidavit is that when the content of an Affidavit has not been legally redressed or proven to be incorrect, then the legal function of an Affidavit is a formal and legal process to create legal and indisputable legal agreement to the details and content of the Affidavit, which is the legal function of an Affidavit to create this legal and binding agreement.

We would draw MISS THERESA may's attention again to Exhibit "C" in this Affidavit where it has been confirmed by none less than Chandran Kukathas PHD of the London School of Economics. That a State is a Company and as a Company a State is no different to McDonalds.

http://www.academia.edu/12226898/A_Definition_of_the_State We would also note to MISS THERESA may that this is also doctrine and can be cited and referenced by any law degree student for his theses.

We would also note to MISS THERESA may in the same Exhibit "C" That is has been confirmed by the Lord Chief Justice. The Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA in the same year of 2008 that the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA confirmed that the office of the Judiciary is a sub office of the same State/Company and this is also a Published Fact on the Judiciary website and is therefore a Confirmed and indisputable Fact. <https://www.judiciary.gov.uk/wp-content/uploads/JCO/Documents/Speeches/beatsonj040608.pdf>

"The 2003 changes and the new responsibilities given to the Lord Chief Justice necessitated a certain amount of re-examination of the relationship between the judiciary and the two stronger branches of the state—the executive and the legislature."

We would also note to MISS THERESA may that and it has been confirmed by the Lord Chief Justice that this places every member and officer in the executive office of the company outside of the jurisdictional control of the office of the Judiciary and that all executive officers including Ministerial extensions to the executive office have complete impunity for any criminal offence they choose or wish to commit and this is now becoming widely known among the people of the UK.

We would also bring to MISS THERESA may's attention to Exhibit "B" in the same formally agreed 657 Affidavits as of 2015 that there was a formal case at a Tribunal recognised by the same Company office where there was a claim made under the Traffic management Act 2004 and that it was found that and correctly by adjudication that Mr David Ward has no liability under the Traffic management Act 2004 for the very simple reason that the circa 64.1 Million people in the UK have never once in 800 years formally agreed to be governed and legally signed the legal "Consent of the governed" and without this Legal consent then none of the Act's and Statutes or legislations of the company have any valid legality and are by default totally illegal and criminal which constitutes criminal fraud and we would also note to MISS THERESA may that as a result of these legal proceedings at a company recognised Tribunal that there was also a signed and Legal Declaration of NO CONTEST which is legally signed by the company office as a formal agreement to the Facts.

We would further draw MISS THERESA may's attention to further legal proceedings where this Affidavit and the 657 formal agreements to this same Affidavit has been repeatedly used as foundation in fact with 100% success inclusive of judges in the company office of the Judiciary of the same company and these are also formally published securitised commercial Liens here.

We would note to MISS THERESA may that the words Obligation and Liability do not, and cannot exist outside of a formal and legally agreed contract and this fact has been formally agreed in the fact that Mr David Ward has no Liability under the Traffic Management Act 2004—the formal and legally signed declaration of NO CONTEST is definitive and absolute legal proof and agreement of this FACT.

We would further note to MISS THERESA may that there can be no legal representation unless there has been a formal and legal transfer of power of Attorney and without this legal and signed transfer of power of attorney any re-representation would also be illegal and criminal conclusively. It is therefore legally impossible for there to be a legal and legitimate Government and this has been true for 800 years. It is therefore a FACT MISS THERESA may that there has never once in the 800 years been a legal and legitimate Government to represent the current day circa 64.1 million people. In the absence of these current day, missing and legally signed 64.1 MILLION legally transferred powers of Attorney then no legal representation can be made.

This is all definitive and absolute legal proof of the Fact that a general election by way of a SECRET Ballot has always been illegal and does not constitute any legal transfer of power of authority in any way.

We would also note to MISS THERESA may that all Tax in all its forms is criminal fraud. None of the circa 64.1 million people has any legal obligations to pay tax in any form. More to the point, in economics when what we pay tax for also pays Tax then there is no return Path for the Tax cash back into economy and there is Billions in Tax which just gets flushed down some cash black hole because of the absence of an economic return path for the Billions in Tax Cash. Economic austerity is a planned and executed Poverty with now 300,000 or more homeless in the UK as a direct result of being Taxed beyond economic capabilities to sustain. The economists in office need to go back to university to get their fees back. This level of stupidity is unconscionable—unless of course this is wilfully planned and executed and we fail to see how this can be otherwise.

It is a Maxim and a Maxim is called a Maxim as they are Maxims in FACTS. He who makes a claim carries the obligation to present the material evidence of the claim. The very existence of a State/Company which as a company is no different to McDonalds and there is a position of Member of Parliament or CEO of that company which is no different to McDonalds is the very evidence that there is a claim. The very existence of MISS THERESA may's email address is indisputable evidence in fact of that claim.

He who makes a claim carries the FORMAL and Legal Obligation to present the foundation in evidence of that claim.

It is therefore a noted obligation for MISS THERESA may to present the material evidence to support this claim in one of two forms.

1. MISS THERESA may carries the formal obligation to present the material evidence that the circa 64.1 Million people have formally signed and legal transferred the legal power of Attorney where the circa 64.1 million people can be legally represented by a government. OR.
1. MISS THERESA may carries the formal obligation to present the material evidence that the circa 64.1 Million people have formally signed and legal "Consent to be governed" which would be representative of a commercial agreement where there can be contractual legal Obligations or Liabilities under the Act's and Statute's and legislation in accordance with the formally agreed and legally signed Agreement to the facts and with the Legal and signed declaration of NO CONTEST to that legal effect.

Failure to present this legally obligated evidence in fact will enter MISS THERESA may in to a lasting and legally binding agreement with the following effect.

1. That there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that the claim that there is a legal and legitimate government is fraudulent in nature which is fraud by misrepresentation and carries a term of incarceration of seven to ten years and the latter, where there is multiple instances of, is a chargeable criminal offence AND that there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that MISS THERESA may has formally and legally agreed to stand for commercial charges to the same degree.
2. That there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that the above formally agreed Fraud by misrepresentation is also formal and criminal malfeasance in the office which

carries a term of incarceration of twenty five years (Life) which is also a chargeable criminal offence AND that there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that MISS THERESA may has formally and legally agreed to stand for commercial charges to the same degree.

3. That there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that the above formally agreed Fraud by misrepresentation and Malfeasance in the office is a demonstrated and wilful intention to cause distress and alarm which is also a demonstrated wilful and belligerent act of terrorism AND that there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that MISS THERESA may has formally and legally agreed to stand for commercial charges to the same degree.

So let it be said. So let it be written. So let it be done.

Dear MISS THERESA may

We have noted as of this date the 14 November 2022 that there has been no legal response to our previous correspondence dated the 07 November 2022 and that there is now a formal agreement due the absence of any valid material legal evidence. In the interest of candour we have elected to extend by another seven days. In the interests of clarity we repeat the same here.

Without ill will or vexation.

Dear MISS THERESA may

We would bring your attention to the attached Affidavit which was served upon the 657 MP's and officers of government on the 28th day of February 2015 which is also a Published and Public Affidavit by way of a public declaration on the 28th Day of March 2015 which is also published here.

<https://www.facebook.com/groups/798269636907862/files/> and we note that MISS THERESA may was one of the 657 recipients by email of the same Affidavit on the 4th day of November 2020.

We would note to MISS THERESA may that the legal function of an Affidavit is that when the content of an Affidavit has not been legally redressed or proven to be incorrect, then the legal function of an Affidavit is a formal and legal process to create legal and indisputable legal agreement to the details and content of the Affidavit, which is the legal function of an Affidavit to create this legal and binding agreement.

We would draw MISS THERESA may's attention again to Exhibit "C" in this Affidavit where it has been confirmed by none less than Chandran Kukathas PHD of the London School of Economics. That a State is a Company and as a Company a State is no different to McDonalds.

http://www.academia.edu/12226898/A_Definition_of_the_State We would also note to MISS THERESA may that this is also doctrine and can be cited and referenced by any law degree student for his theses.

We would also note to MISS THERESA may in the same Exhibit "C" That is has been confirmed by the Lord Chief Justice. The Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA in the same year of 2008 that the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA confirmed that the office of the Judiciary is a sub office of the same State/Company and this is also a Published Fact on the Judiciary website and is therefore a Confirmed and indisputable Fact. <https://www.judiciary.gov.uk/wp-content/uploads/JCO/Documents/Speeches/beatsonj040608.pdf>

"The 2003 changes and the new responsibilities given to the Lord Chief Justice necessitated a certain amount of re-examination of the relationship between the judiciary and the two stronger branches of the state—the executive and the legislature."

We would also note to MISS THERESA may that and it has been confirmed by the Lord Chief Justice that this places every member and officer in the executive office of the company outside of the jurisdictional control of the office of the Judiciary and that all executive officers including Ministerial extensions to the executive office have complete impunity for any criminal offence they choose or wish to commit and this is now becoming widely known among the people of the UK.

From BaronessV@proton.com

We would also bring to MISS THERESA may's attention to Exhibit "B" in the same formally agreed 657 Affidavits as of 2015 that there was a formal case at a Tribunal recognised by the same Company office where there was a claim made under the Traffic management Act 2004 and that it was found that and correctly by adjudication that Mr David Ward has no liability under the Traffic management Act 2004 for the very simple reason that the circa 64.1 Million people in the UK have never once in 800 years formally agreed to be governed and legally signed the legal "Consent of the governed" and without this Legal consent then none of the Act's and Statutes or legislations of the company have any valid legality and are by default totally illegal and criminal which constitutes criminal fraud and we would also note to MISS THERESA may that as a result of these legal proceedings at a company recognised Tribunal that there was also a signed and Legal Declaration of NO CONTEST which is legally signed by the company office as a formal agreement to the Facts.

We would further draw MISS THERESA may's attention to further legal proceedings where this Affidavit and the 657 formal agreements to this same Affidavit has been repeatedly used as foundation in fact with 100% success inclusive of judges in the company office of the Judiciary of the same company and these are also formally published securitised commercial Liens here.

We would note to MISS THERESA may that the words Obligation and Liability do not, and cannot exist outside of a formal and legally agreed contract and this fact has been formally agreed in the fact that Mr David Ward has no Liability under the Traffic Management Act 2004—the formal and legally signed declaration of NO CONTEST is definitive and absolute legal proof and agreement of this FACT.

We would further note to MISS THERESA may that there can be no legal representation unless there has been a formal and legal transfer of power of Attorney and without this legal and signed transfer of power of attorney any re-representation would also be illegal and criminal conclusively. It is therefore legally impossible for there to be a legal and legitimate Government and this has been true for 800 years. It is therefore a FACT MISS THERESA may that there has never once in the 800 years been a legal and legitimate Government to represent the current day circa 64.1 million people. In the absence of these current day, missing and legally signed 64.1 MILLION legally transferred powers of Attorney then no legal representation can be made.

This is all definitive and absolute legal proof of the Fact that a general election by way of a SECRET Ballot has always been illegal and does not constitute any legal transfer of power of authority in any way.

We would also note to MISS THERESA may that all Tax in all its forms is criminal fraud. None of the circa 64.1 million people has any legal obligations to pay tax in any form. More to the point, in economics when what we pay tax for also pays Tax then there is no return Path for the Tax cash back into economy and there is Billions in Tax which just gets flushed down some cash black hole because of the absence of an economic return path for the Billions in Tax Cash. Economic austerity is a planned and executed Poverty with now 300,000 or more homeless in the UK as a direct result of being Taxed beyond economic capabilities to sustain. The economists in office need to go back to university to get their fees back. This level of stupidity is unconscionable—unless of course this is wilfully planned and executed and we fail to see how this can be otherwise.

It is a Maxim and a Maxim is called a Maxim as they are Maxims in FACTS. He who makes a claim carries the obligation to present the material evidence of the claim. The very existence of a State/Company which as a company is no different to McDonalds and there is a position of Member of Parliament or CEO of that company which is no different to McDonalds is the very evidence that there is a claim. The very existence of MISS THERESA may's email address is indisputable evidence in fact of that claim.

He who makes a claim carries the FORMAL and Legal Obligation to present the foundation in evidence of that claim.

It is therefore a noted obligation for MISS THERESA may to present the material evidence to support this claim in one of two forms.

1. MISS THERESA may carries the formal obligation to present the material evidence that the circa 64.1 Million people have formally signed and legal transferred the legal power of Attorney where the circa 64.1 million people can be legally represented by a government. OR.
2. MISS THERESA may carries the formal obligation to present the material evidence that the circa 64.1 Million people have formally signed and legal "Consent to be governed" which would be representative of a commercial agreement where there can be contractual legal Obligations or Liabilities under the Act's and Statute's and legislation in accordance with the formally agreed and legally signed Agreement to the facts and with the Legal and signed declaration of NO CONTEST to that legal effect.

Failure to present this legally obligated evidence in fact will enter MISS THERESA may in to a lasting and legally binding agreement with the following effect.

1. That there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that the claim that there is a

legal and legitimate government is fraudulent in nature which is fraud by misrepresentation and carries a term of incarceration of seven to ten years and the latter, where there is multiple instances of, is a chargeable criminal offence AND that there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that MISS THERESA may has formally and legally agreed to stand for commercial charges to the same degree.

2. That there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that the above formally agreed Fraud by misrepresentation is also formal and criminal malfeasance in the office which carries a term of incarceration of twenty five years (Life) which is also a chargeable criminal offence AND that there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that MISS THERESA may has formally and legally agreed to stand for commercial charges to the same degree.
3. That there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that the above formally agreed Fraud by misrepresentation and Malfeasance in the office is a demonstrated and wilful intention to cause distress and alarm which is also a demonstrated wilful and belligerent act of terrorism AND that there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that MISS THERESA may has formally and legally agreed to stand for commercial charges to the same degree.

So let it be said. So let it be written. So let it be done.

Dear MISS THERESA may

We have noted as of this date the 21 November 2022 that there has been no legal response to our previous correspondence dated the 07 November 2022 and 14 November 2022 respectively. There is now a formal agreement due the absence of any valid material legal evidence. In the interest of candour we have elected to extend the previous seven days by another seven days. In the interests of clarity we repeat the same here.

Without ill will or vexation.

Dear MISS THERESA may

We would bring your attention to the attached Affidavit which was served upon the 657 MP's and officers of government on the 28th day of February 2015 which is also a Published and Public Affidavit by way of a public declaration on the 28th Day of March 2015 which is also published here. <https://www.facebook.com/groups/798269636907862/files/> and we note that MISS THERESA may was one of the 657 recipients by email of the same Affidavit on the 4th day of November 2020.

We would note to MISS THERESA may that the legal function of an Affidavit is that when the content of an Affidavit has not been legally redressed or proven to be incorrect, then the legal function of an Affidavit is a formal and legal process to create legal and indisputable legal agreement to the details and content of the Affidavit, which is the legal function of an Affidavit to create this legal and binding agreement.

We would draw MISS THERESA may's attention again to Exhibit "C" in this Affidavit where it has been confirmed by none less than Chandran Kukathas PHD of the London School of Economics. That a State is a Company and as a Company a State is no different to McDonalds. http://www.academia.edu/12226898/A_Definition_of_the_State We would also note to MISS THERESA may that this is also doctrine and can be cited and referenced by any law degree student for his theses.

We would also note to MISS THERESA may in the same Exhibit "C" That is has been confirmed by the Lord Chief Justice. The Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA in the same year of 2008 that the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA confirmed that the office of the Judiciary is a sub office of the same State/Company and this is also a Published Fact on the Judiciary website and is therefore a Confirmed and indisputable Fact. <https://www.judiciary.gov.uk/wp-content/uploads/JCO/Documents/Speeches/beatsonj040608.pdf>

"The 2003 changes and the new responsibilities given to the Lord Chief Justice necessitated a certain amount of re-examination of the relationship between the judiciary and the two stronger branches of the state—the executive and the legislature."

We would also note to MISS THERESA may that and it has been confirmed by the Lord Chief Justice that this places every member and officer in the executive office of the company outside of the jurisdictional control of the office of the Judiciary and that all executive officers including Ministerial extensions to the executive office have complete impunity for any criminal offence they choose or wish to commit and this is now becoming widely known among the people of the UK.

We would also bring to MISS THERESA may's attention to Exhibit "B" in the same formally agreed 657 Affidavits as of 2015 that there was a formal case at a Tribunal recognised by the same Company office where there was a claim made under the Traffic management Act 2004 and that it was found that and correctly by adjudication that Mr David Ward has no liability under the Traffic management Act 2004 for the very simple reason that the circa 64.1 Million people in the UK have never once in 800 years formally agreed to be governed and legally signed the legal "Consent of the governed" and without this Legal consent then none of the Act's and Statutes or legislations of the company have any valid legality and are by default totally illegal and criminal which constitutes criminal fraud and we would also note to MISS THERESA may that as a result of these legal proceedings at a company recognised Tribunal that there was also a signed and Legal Declaration of NO CONTEST which is legally signed by the company office as a formal agreement to the Facts.

We would further draw MISS THERESA may's attention to further legal proceedings where this Affidavit and the 657 formal agreements to this same Affidavit has been repeatedly used as foundation in fact with 100% success inclusive of

judges in the company office of the Judiciary of the same company and these are also formally published securitised commercial Liens here.

We would note to MISS THERESA may that the words Obligation and Liability do not, and cannot exist outside of a formal and legally agreed contract and this fact has been formally agreed in the fact that Mr David Ward has no Liability under the Traffic Management Act 2004—the formal and legally signed declaration of NO CONTEST is definitive and absolute legal proof and agreement of this FACT.

We would further note to MISS THERESA may that there can be no legal representation unless there has been a formal and legal transfer of power of Attorney and without this legal and signed transfer of power of attorney any re-representation would also be illegal and criminal conclusively. It is therefore legally impossible for there to be a legal and legitimate Government and this has been true for 800 years. It is therefore a FACT MISS THERESA may that there has never once in the 800 years been a legal and legitimate Government to represent the current day circa 64.1 million people. In the absence of these current day, missing and legally signed 64.1 MILLION legally transferred powers of Attorney then no legal representation can be made.

This is all definitive and absolute legal proof of the Fact that a general election by way of a SECRET Ballot has always been illegal and does not constitute any legal transfer of power of authority in any way.

We would also note to MISS THERESA may that all Tax in all its forms is criminal fraud. None of the circa 64.1 million people has any legal obligations to pay tax in any form. More to the point, in economics when what we pay tax for also pays Tax then there is no return Path for the Tax cash back into economy and there is Billions in Tax which just gets flushed down some cash black hole because of the absence of an economic return path for the Billions in Tax Cash. Economic austerity is a planned and executed Poverty with now 300,000 or more homeless in the UK as a direct result of being Taxed beyond economic capabilities to sustain. The economists in office need to go back to university to get their fees back. This level of stupidity is unconscionable—unless of course this is wilfully planned and executed and we fail to see how this can be otherwise.

It is a Maxim and a Maxim is called a Maxim as they are Maxims in FACTS. He who makes a claim carries the obligation to present the material evidence of the claim. The very existence of a State/Company which as a company is no different to McDonalds and there is a position of Member of Parliament or CEO of that company which is no different to McDonalds is the very evidence that there is a claim. The very existence of MISS THERESA may's email address is indisputable evidence in fact of that claim.

He who makes a claim carries the FORMAL and Legal Obligation to present the foundation in evidence of that claim.

It is therefore a noted obligation for MISS THERESA may to present the material evidence to support this claim in one of two forms.

1. MISS THERESA may carries the formal obligation to present the material evidence that the circa 64.1 Million people have formally signed and legal transferred the legal power of Attorney where the circa 64.1 million people can be legally represented by a government. OR.
2. MISS THERESA may carries the formal obligation to present the material evidence that the circa 64.1 Million people have formally signed and legal "Consent to be governed" which would be representative of a commercial agreement where there can be contractual legal Obligations or Liabilities under the Act's and Statute's and legislation in accordance with the formally agreed and legally signed Agreement to the facts and with the Legal and signed declaration of NO CONTEST to that legal effect.

Failure to present this legally obligated evidence in fact will enter MISS THERESA may in to a lasting and legally binding agreement with the following effect.

1. That there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that the claim that there is a legal and legitimate government is fraudulent in nature which is fraud by misrepresentation and carries a term of incarceration of seven to ten years and the latter, where there is multiple instances of, is a chargeable criminal

offence AND that there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that MISS THERESA may has formally and legally agreed to stand for commercial charges to the same degree.

2. That there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that the above formally agreed Fraud by misrepresentation is also formal and criminal malfeasance in the office which carries a term of incarceration of twenty five years (Life) which is also a chargeable criminal offence AND that there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that MISS THERESA may has formally and legally agreed to stand for commercial charges to the same degree.
3. That there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that the above formally agreed Fraud by misrepresentation and Malfeasance in the office is a demonstrated and wilful intention to cause distress and alarm which is also a demonstrated wilful and belligerent act of terrorism AND that there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments that MISS THERESA may has formally and legally agreed to stand for commercial charges to the same degree.

Dear MISS THERESA may

We have noted as of this date the 28 November 2022 that there has been no response to our previous correspondence dated the 07 November 2022, 14 November 2022 and 21 November 2022 respectively. There is now a formal agreement due to the absence of any valid material legal evidence. We note once again that all correspondence will be kept on file pending future legal action.

If there is a crime to be redressed, then it is important to comprehend the full extent of the crime before a solution or a remedy can be executed. You MISS THERESA may have already been instrumental in this remedy, as you have provided vital material evidence which is a part of the solution or remedy. For this material evidence, we thank you.

This may not be evident at first, but the solution or remedy will benefit all including yourself. Complex matters have complex solutions, we can assure you that this solution is complex and these complexities may not be comprehended at first.

In the interests of candour and clarity:

It is a maxim of the rule of law that he/she who brings a claim has the obligation to provide the material substance of that claim. Otherwise, the claim is fraudulent in nature which is fraud by misrepresentation and Malfeasance in the office. In addition to this an act of force where there is no material evidence and substance to a valid claim is also an act of force and an act of terrorism.

We would further note to MISS THERESA may that there can be no legal representation unless there has been a formal and legal transfer of power of Attorney has been legally transferred and without this legal and signed transfer of power of attorney any representation would also be illegal and criminal conclusively. It is therefore legally impossible for there to be a legal and legitimate Government and this has been true for 800 years. It is there for a FACT MISS THERESA may that there has never once in the 800 years been a legal and legitimate Government to represent the current day circa 64.1 million people. In the absence of these circa current day missing and legally signed 64.1 MILLION legally transferred powers of Attorney. Then No legal representation can be made.

This is all definitive and absolute legal proof of the Fact that a general election by way of a SECRET Ballot has always been illegal and does not constitute any legal transfer of power of authority in any way.

We have previously noted to MISS THERESA may that all Tax in all its forms is criminal fraud. None of the circa 64.1 million people current day has any legal obligations to pay Tax in any form. More to the point in economics when what we pay tax for also pays Tax then there is no return Path for the Tax cash back into economics and there is Billions in Tax which just gets flushed down some cash black hole because there is no economic return path for the Billions in Tax Cash. He who makes a claim carries the FORMAL and Legal Obligation to present the foundation in evidence of that claim.

It is therefore a noted obligation for MISS THERESA may to present the material evidence to support this claim in one of two forms.

1. MISS THERESA may carries the formal obligation to present the material evidence that the circa 64.1 Million people have formally signed and legal transferred the legal power of Attorney where the circa 64.1 million people can be legally represented by a government. OR.

- MISS THERESA may carries the formal obligation to present the material evidence that the circa 64.1 Million people have formally signed and legal "Consent to be governed" which would be representative of a commercial agreement where there can be contractual legal Obligations or Liabilities under the Act's and Statute's and legislations in accordance with the formally agreed and legally signed Agreement to the facts and with the Legal and signed declaration of NO CONTEST to that legal effect.

Failure to present this legally obligated evidence in fact will enter MISS THERESA may in to a lasting and legally binding agreement the following effect.

- That there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments Company/State that the claim that there is a legal and legitimate government is fraudulent in nature which is fraud by misrepresentation and carries a term of incarceration of seven to ten years and the latter where there is multiple instances off and is a chargeable criminal offence AND that there is a formal and lasting legal and binding agreement between MRS YVONNE HOBBS and MISS THERESA may in the position of Member of Parliament for HM Parliaments and Governments Company/State that MISS THERESA may has formally and legally agreed to stand for commercial charges to the same degree.

4.

These are very serious crimes MISS THERESA may and under current state legislation there is a cumulative period of incarceration in excess of 150 years' incarceration. We would not wish to encumber the public purse for the costs of this incarceration as the public purse can ill afford this financial encumbrance. There is however an alternative and recognised process as suitable remedy.

As there is now an agreement between the parties by way of lasting tacit agreement through acquiescence, as you have already agreed to the crime then we elect to charge you under this agreement. As the crime was committed against ourselves, then we reserve the right to choose the remedy for these crimes.

Where there is a crime then there is a requirement for a remedy otherwise the crime goes unresolved. As we now have an obligation to bring this crime to resolution, we therefore are giving MISS THERESA mayan opportunity to resolve.

Opportunity to resolve.

- For the formally agreed criminal offence of fraud by misrepresentation where the claim being made by MISS THERESA may (Claimant) that there is a Government is fraudulent in nature which is also wilful and premeditated fraud by misrepresentation. Where this is an agreed chargeable criminal offence then we will elect to formally charge MISS THERESA may acting in the capacity of Member of Parliament
£5,000,000.00
- For the formally agreed criminal offence of Malfeasance in the office where MISS THERESA may (Claimant) acting in the capacity of Member of Parliament has agreed to this criminal offence of malfeasance in the office. Where this is an agreed chargeable criminal offence then we elect to formally charge MISS THERESA may (Claimant) acting in the capacity of Member of Parliament. Five Million Pounds GBP.
£5,000,000.00
- For the formally agreed criminal offence of a wilful intent to cause distress and alarm which is a recognised and demonstrated wilful act of terrorism. Where this is an agreed chargeable criminal offence then we will elect to formally charge MISS THERESA may acting in the capacity of Member of Parliament. Five Million Pounds GBP.

£5,000,000.00

Total agreed debt as resolution for the above listed criminal offences equals fifteen million pounds GBP £15,000,000.00

If you MISS THERESA may elect not to resolve this matter and debt in the next seven days from the receipt of this correspondence then, seven days later, we will issue a further reminder as you MISS THERESA may are in default of your agreement and your agreed obligation.

We will take further legal action by raising a Notice of Default and a surety on the debt by way of a security by way of a lien against the estate of MISS THERESA may and the future earnings of yourself and by way of the sins of the father to your descendants to the seventh generation where there may be an attachment of earnings and the pension of your grandchildren's grandchildren.

This may be viewed to be an excessive action to take as a remedy, but we bring your attention back to the affidavit Exhibit (F) No Body gets Paid. So is this an excessive action where there is no monetary value. No injury loss or harm can be caused by the action. This is just numbers of no commercial significance as there cannot be commerce without money and there is no such thing as money so there is no such thing as economics.

It is not our intent to place you MISS THERESA may in a state of distress or cause any distress loss or harm by this legal action. Let us face the facts. See Exhibit (F) in the affidavit. There is no such thing as Money. The Bank of England note is based upon confidence and Belief where belief is a concept in the abstract which is of no material substance.

There have been extensive conversations with Bank Managers. These conversations were fruitful. It was agreed and is true to note that a lien is an asset and is a security and also a commercial instrument. The enquiry was to distinguish if a special portfolio account was needed for the deposit of these commercial instruments. The response was that any one could deposit these commercial instruments in any account such as a current.

It could be said that to take this action is to destabilise the economy. WHAT economy? That was done generations ago when the government licensed fraudulent Banking Practice by that we mean Federal Reserve Banking practices, fractional lending and quantitative easing. All of which are Licensed Fraud by a Parliament that does not have the legal authority to do so.

We did ask ourselves "Are we committing Fraud" Our response to this was. Is there full disclosure? YES. Is there an agreement between the parties as a result of that disclosure? YES "Is there any injury loss or harm?" NO. Then there is no fraud?

Are we destabilising Government.? Without the consent of the governed on and for the record then there is no governed and no government by default. What Government? See Exhibit under the Affidavit Exhibit (H). Without a valid and accountable government then there is no such thing as the public or the public purse.

MISS THERESA may. You have seven (7) days to make reparation for your criminal offences. Seven (7) days after that there will be a notice of default and a security commercial instrument by way of a lien.

We await your response. Silence creates a binding agreement.
So let it be said. So let it be written. So let it be done.
Without ill will or vexation.
