20. It is now on and for the record and in perpetuity that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has never, at any time provided valid, presentable material evidence to support the claim that the statement by Sir Jack Beatson FBA, at that time the head of the judiciary, in his address to Nottingham University was false in that the private corporations/states of the Executive and legislature are superior to the judiciary by way of re-examination of the relationship.
21. It is now on and for the record and in perpetuity that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has never, at any time provided valid, presentable material evidence to support the claim contra the statement made by Chandran Kukathas in positing that HM Government plc is an entity, a Corporation/State
22. It is now on and for the record and in perpetuity that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has never, at any time provided valid, presentable material evidence to support the claim there is authority for MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC to wilfully and premeditatedly Act to cause alarm and distress which is a formally recognised act of terrorism which is also a recognised criminal offence upon MRS YVONNE HOBBS without the presentment of the wet ink signed consent of the 64.1 upon this land and including the wet ink signature of MRS YVONNE HOBBS and that you had these consents as presentable, material fact before you brought your charges or made your claims.
23. It is now on and for the record and in perpetuity that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has chosen to enter into a lasting and binding tacit agreement through acquiescence by not negating the facts presented in Exhibit (A), and MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has agreed to the criminal offences documented on and for the record in this correspondence, thus establishing a formal agreement between the parties MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC and MRS YVONNE HOBBS on and for the public record. Since there is no disagreement between the parties, this is a non-judicial matter by default.
24. It is now on and for the record and in perpetuity that all matters must be expressed to be resolved and MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC was offered an opportunity to resolve (see Exhibit (B)) as material, physical, and tangible evidence and substance and a foundation to this fact). Since it is MRS YVONNE HOBBS who is the victim of these agreed criminal offences of MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC, then MRS YVONNE HOBBS has the right to redress and choose the remedy for these agreed criminal offences.
25. It can be noted here, for and on the record, that the remedy for the criminal offence of fraud is seven to ten years' incarceration, the latter where there are multiple instances of fraud. MRS YVONNE HOBBS is under no legal or statutory obligation to observe and act upon the State policy regarding this matter and would consider that this extensive term of incarceration would be an insurmountable encumbrance on the public purse. For these reasons, it is decided by MRS YVONNE HOBBS to offer alternative remedy by way of a charge.
26. A second option was also proposed, which is by standing as a surety and, therefore, providing a security by way of a lien, allowing MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC to regain honour without any cause for distress to MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC. (see Exhibit (B)).
27. It is important to note here on and for the record that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has chosen by their actions not to resolve their debt by way of personal cheque or a commercial instrument. It is also important to state here on and for the record that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has not communicated by any means reluctance or objection to stand as surety and provide security by way of a lien on the estate and future earnings of MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC extended to the future generations of MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC where the sins of the father are the sins of the sons to the seventh generation, and where there may be an attachment of earnings on future generations of MR JOHN JM RIDLEY (CLAIMANT).
28. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has not disagreed by any means of communication or correspondence to stand as surety for a security by way of a lien for their criminal offences, which have been fully documented and declared by way of this affidavit. As a consequence of not disagreeing with this proposed remedy, has formally agreed to this remedy to stand as surety, and agrees to be a security by way of a lien, and once again stands in honour by their actions by accepting the proposed remedy in full knowledge and understanding, without coercion or deception, and without the threat of harm, loss, or injury.

To this effect, the following is now true and on and position of CEO for SAVILLS PLC has agreed to MRS YVONNE HOBBS as follows:

opinion, due to the severity of the most grievous RIDLEY in the position of CEO for SAVILLS trusted position in service in the office.

ous agreed criminal offences, that MR JOHN JM PLC is no longer a fit and proper person to hold any

31. It can also be considered that since these most grievous agreed criminal offences have been committed in the office of SAVILLS PLC which is detrimental to the function and the interests of SAVILLS PLC and that MR JOHN JM RIDLEY (CLAIMANT) in the position of CEO for SAVILLS PLC has acted in an ultra vires capacity in the position as CEO for VSAVILLS PLC and without the legal authority to do so, thus it can be concluded that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC could be held culpable for their actions as not in the best interests of SAVILLS PLC
32. Let it be known on and for the record that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has chosen, of their own free will, to stand as surety for a security by the way of a lien to the amount of Two Hundred and Twenty Five million pounds GBP (225,000,000.00 GBP). From Exhibit (C) of this Affidavit, in the House of Ward Affidavit of Truth and Statement of Fact, which is on and for the record, it is noted that the legal tender or fiscal currency, which ever term is used, is representative of confidence, faith, and belief, so this surety for a security by way of a lien is equal to Two Hundred and Twenty Five million pounds GBP (225,000,000.00 GBP) of confidence, faith, and belief.
33. Let it be known on and for the record that confidence, faith, and belief are nothing of any material, physical, or tangible substance or evidence in fact.

It is a Maxim of the rule of law that he who makes a claim also carries the obligation by way of the fact that a claim has been made to present as material evidence, the material and factual substance of that claim. We would note that where there is no material evidence to support a claim then the claim would be fraudulent in nature which is recognized fraud by misrepresentation, a known criminal offence that is chargeable.

We would also draw to the attention of MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC the Baron David Ward Affidavit, served upon every MP in the office of HM Parliament Corporation/State. This is a formal and legal process where, when left unrebutted on a point by point basis leads to a formal, legal agreement in fact and law and we shall refer to it in detail from hereonin. The self intituled MPs who are employees of a private corporation, were served the Affidavit again—in October 2022—without rebuttal. The link to the public notices is given here: https://justpaste.it/MP_SECURITISED_LIENS And <https://tinyurl.com/BIT-LY-LINKS-LIENS-UptoDate>

We have also noted and it is fact, that a Chief Executive Officer is culpable and liable for the activities of the Officers of those corporations under his remit which is why we write to you JOHN JEREMY MARK RIDLEY.

There is established a clear and noted obligation of service for MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC to provide the valid and presentable material evidence to support the claims being made.

1. We have noted a claim of authority under UK Public General Acts—for which the mandatory requirement for HM Government Corporation/State before any Acts and statutes can be legally acted upon—being the getting of the wet-ink consents of the 64.1 million 'governed' is required and that you had these consents as presentable, material fact before you brought your charges or made your claims. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

From Exhibit (B). —Case Authority WI-05257F David Ward V Warrington Borough Council, 30thDay of May 2013. Which is a case at court tribunal undertaken by recognised due process.

It is evident David Ward did not challenge the PCN or the traffic Management Act 2004 section 82 but the presumption of the consent of the governed.

What is a mandatory requirement before the Acts and statutes can be legally acted upon is for the consent of the governed to be valid and that it can be presented as material fact before any charges or claims can be brought.

It is clear from this case authority undertaken by due process that: -(1) It is illegal to act upon any of the Acts or statutes without the consent of the governed [where the governed have actually given their consent] and that consent is presentable as material physical evidence of the fact that the governed have given their consent. (2) Where the Acts and statutes are acted upon then this is illegal and a criminal action by the Corporation/State. (3) The criminal action is Malfeasance in a public office and fraud. (4) Where there is no consent of the governed on and for the public record then there is no governed and where there is no governed then there is no government. The one cannot exist without the other—they are mutually exclusive. (5) As this criminal activity is observed to be standard practice and has been for nearly 800 years, then this is clear observable evidence to the fact that LAW is a presumption and there is no such thing as LAW. See Exhibit (A) the twelve presumptions of law.

Without this legal consent—the circa 64.1 million wet ink signed consents of the Governed—there is no legal authority under which there is a recognised officer of the Private Corporation/State that carries the necessary legal authority to create culpability, liability or agreement or otherwise enforce private corporate policy.

We refer you to the Baron David Ward unrebutted Affidavit Exhibit A—Formal challenge to the twelve presumptions of law. We have challenged all the Presumptions of Law. We have since obtained Securitized liens against these corporations/states making claims, most importantly, without any rebuttal and to this day not one piece of incontrovertible evidence of Corporate/State authority of Us has been presented.

We repeat, We formally challenge all presumptions of law and as we have formally challenged all the twelve presumptions of law then the presumption of law formally has no substance in material FACT. We will recognise the rule of law, when and only when there is the material evidence of that assumed rule of law has some material evidence of substance in presentable material fact.

We refer you to Exhibit C of the David Ward Affidavit where Chandran Kukathas PhD details over 7 pages that the State is a private corporation and specifically a legal embodiment by act of registration; And of no material substance. Fraud however has been defined as a criminal act with full knowledge and intent to engage in criminal behaviour to benefit one, at the expense of another. To bring about by an act of force, support of this fraud is also recognised as an act of terrorism

From Exhibit (C)—The Material evidence of the FACTS.

It has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, on and for the record that:- (1) Whilst there is no material and physical evidence presented to the fact that the governed have given their consent then the office of the Judiciary has no greater authority than the manageress of McDonalds being as the office of the Judiciary is a sub office of a legal embodiment by an act of registration where this act of registration creates nothing of physical material substance and which is also fraud by default. Any objection to this observation of fact should be taken up with the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, whereupon the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA would then have to present the material and physical evidence that the governed have given their consents.

As the office of the Judiciary is nothing more than a private commercial and fraudulent enterprise built upon fraud and criminal intent. This is by no stretch of the imagination a valid government by the people for the people as it is by default a private company providing a judicial service for profit and gain but where there is also and always a conflict of interests—where there is a conflict of interests between the needs of the people and the state (Corporate) Policy which has no obligation to the people or even the needs and wellbeing of corporation staff. This has been confirmed by Chandran Kukathas of the London School of Economics and state office titled the Department of Government.

Disagreements arising from ‘contracts’ are non-judicial and outside the scope of the private courts of the judiciary—these being the sub-offices of the private Corporation/State of HM Government plc as shown above. As has been confirmed by the esteemed Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA the office of the Judiciary (Court) is a sub office of a Private Limited corporation (HM Parliaments & Governments PLC) and that such an officer of a Private corporation court does not have the status to give or grant a Court Order outside of that Private corporation Office.

To bring about by an act of force, support of this fraud is also recognised as an act of terrorism Under the UK 2000 Terrorism Act,s.1,5-action taken for the benefit of a proscribed organisation It is evident from the omissions that there is no wet-ink signed contract between the Corporation/State of HM Government plc and SAVILLS PLC.

2. We have noted a claim of exemption from the 1689 Bill of Rights Act for the acts of contempt perpetrated against us—including concealment that tender was made in May 2023—‘to interfere with justice’ and that you had these consents as presentable, material fact before you brought your charges or made your claims.. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

And to further underline the malfeasance being demonstrated by the taking of our property—intangible and real to ensure subjugation and to extort us, we refer you again to the Facts }

UK 2006 Fraud Act, Part 35, section 2--FRAUD by ABUSE of POSITION (1)A person is in breach of this section if he—(a) occupies a position in which he is expected to safeguard, or not to act against, the financial interests of another person, (b) dishonestly abuses that position, and (c) intends, by means of the abuse of that position—(i) to make a gain for himself or another, or (ii) to cause loss to another or to expose another to a risk of loss. (2) A person may be regarded as having abused his position even though his conduct consisted of an omission rather than an act.

Fraud is a deliberate action to defraud where the victim of the crime is unaware having no knowledge of a situation or fact. This crime carries a penalty of incarceration for 7 to 10 years and the latter, where there is multiple instances of. 64.1 million people are subject to this crime everyday as it is now commonplace and is carried out by the largest and most ruthless criminal company in this country. This same company is also a public office with the enforcement to execute this crime which is inclusive of but not limited to:- The office of the police, The office of the Judiciary, Local government and central government. Independent Bailiff Companies which are licensed by the same company.

3. We have noted a claim of exemption under the 1677 Statute of Frauds Act, the 1862 Conveyance of Real Estates Act including section 105— If in a Proceeding to obtain the Registration of an Land or any Land Certificate or Certificate of Title, or otherwise in any Transaction relating to Land which is or is to be put upon the Registry, any Person acting either as Principal or Agent shall, knowingly and with Intent to deceive, make or assist or join in or be privy to the making of any material false Statement or Representation, or suppress, conceal, or assist or join in or be privy to the suppressing, withholding, or concealing from any Judge, or the Registrar, or any Person employed by or assisting the Registrar, any material Document, Fact, or Matter of Information, every Person so acting shall be deemed to be guilty of a Misdemeanor... : The Act or Thing done or obtained by means of such Fraud or Falsehood shall be null and void to all Intents and Purposes—and that you had these consents/exemptions as presentable, material fact before you brought your charges or made your claims.. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

We now refer you to Exhibit (A) of the Affidavit which defines that profiteering contravenes the UK 2006 Fraud Act. We should also point out to you that it is a direct contravention of the UK 2000 Terrorism Act, s.15 Fund raising is an offence if a person invites another to provide money or other property and intends that it should be used for the purposes of terrorism. Insisting or demanding payment without a pre existing commercial arrangement which is based on presentable fact in the form of a commercial agreement is an act of deception. Payment is a commercial activity. We are not in the habit of knowingly conspiring to fraud or knowingly funding terrorism. This action would also create a liability against us. Per Lord Denning 1954, Lazarus v. Beasley “Fraud unravels everything”. Per Sir John Stuart “purchase with that knowledge, he becomes a party to the transaction of impeaching”

4. We have noted a claim of exemption from the 1677 Statute of Frauds Act with the Power of Attorney or contract for the trespass not declared in signed writing as—‘upon any Agreement, Or any collateral agreement Or promise Or Contract for Sale of Lands, unless Agreement, be in Writing and signed’—and that you had these exemptions as presentable, material fact before you brought your charges or made your claims .. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

From Exhibit (D) of the Affidavit and Statement of Fact for Case Authority WI-05257F. 30d of May 2013 it is evident there is due process for the execution of legal and commercial documents. Where these processes are not followed then the very presence of a document which does not comply with these processes, is itself is the physical and material evidence of Malfeasance in a public office and fraud. We would point your attention to the FACTs that a corporation must execute documents legally and failure to do so renders the documents non legal and void—(1) Under the law of England and Wales or Northern Ireland a document is executed by a company—(a) by the affixing of its common seal, or (b) by signature in accordance with the following provisions. (2) A document is validly executed by a company if it is signed on behalf of the company— (a) by two authorised signatories, or (b) by a director of the company in the presence of a witness who attests the signature. (4) A document signed in accordance with subsection (2) and expressed in whatever words, to be executed by the company, has the same effect as if executed under the common seal of the company. The legal effect of the statute is that documents and deeds must be signed on behalf of the company by a director in the presence of a witness, or by two authorised signatories. Without adherence to these provisions no contracts can be considered duly executed by a company and their terms are therefore legally unenforceable.

We refer you to Exhibit C of the David Ward Affidavit where under the —Including the taking of Our property of data and using it as your own without Our knowledge or consent, the threats against Our property and the further claims to benefit a private Corporation/State and extorting money with neither signature nor contract is an act of force **in terrorem**.

5. We have noted a claim of exemption under the UK the 1677 Statute of Frauds Act, the 1882 Bills of Exchange Act, 1989 Law of Property Act, 2006 Fraud Act— section 7—making or supplying articles for use in frauds in order to cause us loss by omitting to shew financial instruments to record and show the receipt of our Bills, Liens and Affidavits including intituled HOHO194. And by omission of the wet ink signed contract , Bills acts contra 2006 Fraud Act including Part 35, section 2 and that you had these exemptions as presentable, material fact before you brought your charges or made your claims.. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.
6. We have noted a claim of exemption from the 1882 Bills of Exchange Act, the 1989 Law of Property Act, the 2006 Fraud Act—including section 2 (3) Fraud by false representation—any representation as to fact or law and you had these exemptions as presentable, material fact before you brought your charges or made your claims. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

We cite the UK 2006 Fraud Act, Part 35, section 2--FALSE REPRESENTATION A representation is false if—(a) it is untrue or misleading, and (b) the person making it knows that it is, or might be, untrue or misleading. (3)“Representation” means any representation as to fact or law, including a representation as to the state of mind of—(a) the person making the representation, or (b) any other person.

7. We have noted a claim of exemption from the 1862 Conveyance of Real Estates Act including section 107—Nothing in this Act contained shall entitle any Person to refuse to make a complete Discovery by Answer to any Bill in Equity, or to answer any Question or Interrogatory in any Civil Proceeding, in any Court of Law or Equity, or in the Court of Bankruptcy and the 1677 Statute of Frauds Act by concealment of the instruments of our tender and that you had these consents/exemptions as presentable, material fact before you brought your charges or made your claims.. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

By failing to disclose all information including that which shews contra to your claims and by failing to supply information under Subject Access Requests, these acts, for omission is still an act, brings in to force the UK 2006 Fraud Act, Part 35, section 3--Fraud by failing to disclose information A person is in breach of this section if he—(a) dishonestly fails to disclose to another person information which he is under a legal duty to disclose, and (b) intends, by failing to disclose the information —(i) to make a gain for himself or another, or (ii) to cause loss to another or to expose another to a risk of loss.

We cite Lord Denning, Lord Chief Justice ‘1954, Lazarus v Beasley’ “No court in this land will allow a person to keep an advantage which he has obtained by fraud. No judgment of a Court, no Order of a Minister can be allowed to stand if it has been obtained by Fraud, Fraud unravels everything.”

8. We have noted a claim of exemption—from the UK 1882 Bills of Exchange Act Section 23—Signature essential to liability and that you had these consents/exemptions as presentable, material fact before you brought your charges or made your claims.. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has made claim/demand of indebtedness/for payment, but has not presented Us with a valid and legal Bill—predicated upon a pre existing commercial contract or agreement—which is recognised under the Bills of exchange act of 1882. Because there is no commercial arrangement in place under which to raise a Bill for the bill there arises a direct violation of the 1882 Bills of Exchange Act. Additionally without the wet ink signed commercial arrangement and Bill presented, this Act would also be a contravention of the UK 2006 Fraud Act and to demand payment under threats contravenes the UK 2000 Terrorism Act. We are not in the habit of knowingly conspiring to fraud and/or terrorism. See Bills of exchange act of 1882. <http://www.legislation.gov.uk/ukpga/Vict/45-46/61>.

A claim of ‘contractual obligations being a non-judicial matter.

9. We have noted a claim of exemption from the UK 1861 Forgery Act- Utterings—Whosoever, without lawful authority or excuse (the proof whereof shall lie on the party accused), shall in the name of any other person acknowledge any recognizance or bail, or any cognovit, actionem, or judgment, or any deed or other instrument, before any court, judge, or other person lawfully authorized in that behalf, shall be guilty of felony and that you had these consents/exemptions as presentable, material fact before you brought your charges or made your claims.. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

UTTERING' as act(s) contra the 1861 Forgery Act—Whosoever, without lawful authority or excuse (the proof whereof shall lie on the party accused), shall in the name of any other person acknowledge any recognizance or bail, or any cognovit, actionem, or judgment, or any deed or other instrument, before any court, judge, or other person lawfully authorized in that behalf, shall be guilty of felony.

10. We have noted a claim that the statement by Sir Jack Beatson FBA, at that time the head of the judiciary, in his address to Nottingham University was false in that the private corporations/states of the Executive and legislature are superior to the judiciary by way of re-examination of the relationship. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

We would draw attention to the Contempt of Court Reporting Restriction, "Civil contempt refers to conduct which is not in itself a crime, but which is punishable by the court in order to ensure that its orders are observed. Civil contempt is usually raised by one of the parties to the proceedings. Although the penalty for civil contempt contains a punitive element, its primary purpose is coercion of compliance. We would add that the use of force in a civil matter is a wilful and belligerent act of terrorism and the above Contempt of Court Reporting Restrictions further prevent a judge from holding us in contempt in a civil matter.

11. We have noted a claim contra the statement made by Chandran Kukathas in positing that HM Government plc is an entity, a Corporation/State
MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

Whilst we bring these your acts contra the Statures of your corporation and the corporation/state of HM Government to your attention We would draw your attention to Exhibit (G) of the Affidavit of Truth and statement of Fact--A castle doctrine (also known as a castle law or a defence of habitation law) is a legal doctrine that designates a person's abode (or any legally-occupied place [e.g., a vehicle or workplace]) as a place in which that person has certain protections and immunities permitting him or her, in certain circumstances, to use force (up to and including deadly force) to defend themselves against an intruder, free from legal responsibility/prosecution for the consequences of the force used.[1] Typically deadly force is considered justified, and a defence of justifiable homicide applicable, in cases "when the actor reasonably fears imminent peril of death or serious bodily harm to him or herself or another".

Failure to provide the valid, presentable material evidence to support the above listed claims made by MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC in the next seven (7) days will enter MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC in to a lasting and binding tacit agreement through acquiescence to the following effect:}

Our Ref}HOH—JOHN JEREMY MARK RIDLEY CEO SAVILLS PLC—HOHO847

Dear MR JOHN JM RIDLEY,

We have noted as of this day the 14 January 2024 that there has been no legal response to our previous correspondence dated the 24 December 2023, 31 December 2023 and 7 January 2024 respectively. There is now a formal agreement due to the absence of any valid material legal evidence.

If there is a crime to be redressed then it is important to comprehend the full extent of the crime before a solution or a remedy can be executed. You MR JOHN JM RIDLEY (CLAIMANT) CEO have already been instrumental in this remedy as you have provided vital material evidence which is a part of the solution or remedy. For this material evidence, we thank you.

This may not be evident at first but the solution or remedy will benefit all including yourself. Complex matters have complex solutions, we can assure you that this solution is complex and these complexities may not be comprehended at first.

In the interests of candour and clarity:

It is a maxim of the rule of law that whomsoever brings a claim has the obligation to provide the material substance of that claim, else the claim is fraudulent in nature which is fraud by Misrepresentation and Malfeasance in the office. In addition to this an act of force where there is no material evidence and substance to a valid claim is also an act **in terrorem**, a wilful and belligerent act of terrorism.

There is therefore a formal legal requirement for MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC to present the valid material evidence to the following effect.

1. We have noted a claim of authority under UK Public General Acts—for which the mandatory requirement for HM Government Corporation/State before any Acts and statutes can be legally acted upon—being the getting of the wet-ink consents of the 64.1 million 'governed' is required and that you had these consents as presentable, material fact before you brought your charges or made your claims. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

From Exhibit (B). —Case Authority WI-05257F David Ward V Warrington Borough Council, 30thDay of May 2013.
Which is a case at court tribunal undertaken by recognised due process.

It is evident David Ward did not challenge the PCN or the traffic Management Act 2004 section 82 but the presumption of the consent of the governed.

What is a mandatory requirement before the Acts and statutes can be legally acted upon is for the consent of the governed to be valid and that it can be presented as material fact before any charges or claims can be brought.

It is clear from this case authority undertaken by due process that: -(1) It is illegal to act upon any of the Acts or statutes without the consent of the governed [where the governed have actually given their consent] and that consent is presentable as material physical evidence of the fact that the governed have given their consent. (2) Where the Acts and statutes are acted upon then this is illegal and a criminal action by the Corporation/State. (3) The criminal action is Malfeasance in a public office and fraud. (4) Where there is no consent of the governed on and for the public record then there is no governed and where there is no governed then there is no government. The one cannot exist without the other—they are mutually exclusive. (5) As this criminal activity is observed to be standard practice and has been for nearly 800 years, then this is clear observable evidence to the fact that LAW is a presumption and there is no such thing as LAW. See Exhibit (A) the twelve presumptions of law.

Without this legal consent—the circa 64.1 million wet ink signed consents of the Governed—there is no legal authority under which there is a recognised officer of the Private Corporation/State that carries the necessary legal authority to create culpability, liability or agreement or otherwise enforce private corporate policy.

We refer you to the Baron David Ward unrebutted Affidavit Exhibit A—Formal challenge to the twelve presumptions of law. We have challenged all the Presumptions of Law. We have since obtained Securitized liens against these corporations/states making claims, most importantly, without any rebuttal and to this day not one piece of incontrovertible evidence of Corporate/State authority of Us has been presented.

We repeat, We formally challenge all presumptions of law and as we have formally challenged all the twelve presumptions of law then the presumption of law formally has no substance in material FACT. We will recognise the rule of law, when and only when there is the material evidence of that assumed rule of law has some material evidence of substance in presentable material fact.

We refer you to Exhibit C of the David Ward Affidavit where Chandran Kukathas PhD details over 7 pages that the State is a private corporation and specifically a legal embodiment by act of registration; And of no material substance. Fraud however has been defined as a criminal act with full knowledge and intent to engage in criminal behaviour to benefit one, at the expense of another. To bring about by an act of force, support of this fraud is also recognised as an act of terrorism

From Exhibit (C)—The Material evidence of the FACTS.

It has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, on and for the record that:- (1) Whilst there is no material and physical evidence presented to the fact that the governed have given their consent then the office of the Judiciary has no greater authority than the manageress of McDonalds being as the office of the Judiciary is a sub office of a legal embodiment by an act of registration where this act of registration creates nothing of physical material substance and which is also fraud by default. Any objection to this observation of fact should be taken up with the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, whereupon the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA would then have to present the material and physical evidence that the governed have given their consents.

As the office of the Judiciary is nothing more than a private commercial and fraudulent enterprise built upon fraud and criminal intent. This is by no stretch of the imagination a valid government by the people for the people as it is by default a private company providing a judicial service for profit and gain but where there is also and always a conflict of interests—where there is a conflict of interests between the needs of the people and the state (Corporate) Policy which has no obligation to the people or even the needs and wellbeing of corporation staff. This has been confirmed by Chandran Kukathas of the London School of Economics and state office titled the Department of Government.

Disagreements arising from 'contracts' are non-judicial and outside the scope of the private courts of the judiciary—these being the sub-offices of the private Corporation/State of HM Government plc as shown above. As has been confirmed by the esteemed Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA the office of the Judiciary (Court) is a sub office of a Private Limited corporation (HM Parliaments & Governments PLC) and that such an officer of a Private corporation court does not have the status to give or grant a Court Order outside of that Private corporation Office.

To bring about by an act of force, support of this fraud is also recognised as an act of terrorism Under the UK 2000 Terrorism Act,s.1,5-action taken for the benefit of a proscribed organisation It is evident from the omissions that there is no wet-ink signed contract between the Corporation/State of HM Government plc and SAVILLS PLC.

2. We have noted a claim of exemption from the 1689 Bill of Rights Act for the acts of contempt perpetrated against us—including concealment that tender was made in May 2023—'to interfere with justice' and that you had these consents as presentable, material fact before you brought your charges or made your claims.. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

And to further underline the malfeasance being
gible and real to ensure subjugation and to ex-
UK 2006 Fraud Act, Part 35, section 2--

demonstrated by the taking of our property—intan-
tort us, we refer you again to the Facts}

FRAUD by ABUSE of POSITION (1)A person is in breach of this section if he—(a) occupies a position in which he is expected to safeguard, or not to act against, the financial interests of another person, (b) dishonestly abuses that position, and (c) intends, by means of the abuse of that position—(i) to make a gain for himself or another, or (ii) to cause loss to another or to expose another to a risk of loss. (2) A person may be regarded as having abused his position even though his conduct consisted of an omission rather than an act.

Fraud is a deliberate action to defraud where the victim of the crime is unaware having no knowledge of a situation or fact. This crime carries a penalty of incarceration for 7 to 10 years and the latter, where there is multiple instances of. 64.1 million people are subject to this crime everyday as it is now commonplace and is carried out by the largest and most ruthless criminal company in this country. This same company is also a public office with the enforcement to execute this crime which is inclusive of but not limited to:- The office of the police, The office of the Judiciary, Local government and central government. Independent Bailiff Companies which are licensed by the same company.

3. We have noted a claim of exemption under the 1677 Statute of Frauds Act, the 1862 Conveyance of Real Estates Act including section 105— If in an Proceeding to obtain the Registration of an Land or any Land Certificate or Certificate of Title, or otherwise in any Transaction relating to Land which is or is to be put upon the Registry, any Person acting either as Principal or Agent shall, knowingly and with Intent to deceive, make or assist or join in or be privy to the making of any material false Statement or Representation, or suppress, conceal, or assist or join in or be privy to the suppressing, withholding, or conceal- ing from any Judge, or the Registrar, or any Person employed by or assisting the Registrar, any material Document, Fact, or Matter of Information, every Person so acting shall be deemed to be guilty of a Misdemeanor... : The Act or Thing done or obtained by means of such Fraud or Falsehood shall be null and void to all Intents and Purposes—and that you had these con- sents/exemptions as presentable, material fact before you brought your charges or made your claims.. MR JOHN JM RID- LEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

We now refer you to Exhibit (A) of the Affidavit which defines that profiteering contravenes the UK 2006 Fraud Act. We should also point out to you that it is a direct contravention of the UK 2000 Terrorism Act, s.15 Fund raising is an offence if a person invites another to provide money or other property and intends that it should be used for the purposes of terrorism. In- sisting or demanding payment without a pre existing commercial arrangement which is based on presentable fact in the form of a commercial agreement is an act of deception. Payment is a commercial activity. We are not in the habit of knowingly conspiring to fraud or knowingly funding terrorism. This action would also create a liability against us. Per Lord Denning 1954, Lazarus v. Beasley “Fraud unravels everything”. Per Sir John Stuart “purchase with that knowledge, he becomes a party to the transaction of impeaching”

4. We have noted a claim of exemption from the 1677 Statute of Frauds Act with the Power of Attorney or contract for the tres- pass not declared in signed writing as—‘upon any Agreement, Or any collateral agreement Or promise Or Contract for Sale of Lands, unless Agreement, be in Writing and signed’—and that you had these exemptions as presentable, material fact be- fore you brought your charges or made your claims .. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to sup- port this claim.

From Exhibit (D) of the Affidavit and Statement of Fact for Case Authority WI-05257F. 30d of May 2013 it is evident there is due process for the execution of legal and commercial documents. Where these processes are not followed then the very presence of a document which does not comply with these processes, is itself is the physical and material evidence of Mal- feasance in a public office and fraud. We would point your attention to the FACTs that a corporation must execute docu- ments legally and failure to do so renders the documents non legal and void—(1) Under the law of England and Wales or Northern Ireland a document is executed by a company—(a) by the affixing of its common seal, or (b) by signature in accord- ance with the following provisions. (2) A document is validly executed by a company if it is signed on behalf of the company — (a) by two authorised signatories, or (b) by a director of the company in the presence of a witness who attests the signature. (4) A document signed in accordance with subsection (2) and expressed in whatever words, to be executed by the company, has the same effect as if executed under the common seal of the company. The legal effect of the statute is that documents and deeds must be signed on behalf of the company by a director in the presence of a witness, or by two authorised signator- ies. Without adherence to these provisions no contracts can be considered duly executed by a company and their terms are therefore legally unenforceable.

We refer you to Exhibit C of the David Ward Affidavit where under the —Including the taking of Our property of data and using it as your own without Our knowledge or consent, the threats against Our property and the further claims to benefit a private Corporation/State and extorting money with neither signature nor contract is an act of force **in**
terrorem.

And by omission of the wet ink signed contract , Bills acts contra 2006 Fraud Act including Part 35, section 2 and that you had these exemptions as presentable, material fact before you brought your charges or made your claims.. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.
6. We have noted a claim of exemption from the 1882 Bills of Exchange Act, the 1989 Law of Property Act, the 2006 Fraud Act—including section 2 (3) Fraud by false representation—any representation as to fact or law and you had these exemptions as presentable, material fact before you brought your charges or made your claims. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

UK the 1677 Statute of Frauds Act, the 1882 Bills 2006 Fraud Act— section 7—making or supplying loss by omitting to shew financial instruments to record

We cite the UK 2006 Fraud Act, Part 35, section 2--FALSE REPRESENTATION A representation is false if—(a) it is untrue or misleading, and (b) the person making it knows that it is, or might be, untrue or misleading. (3)“Representation” means any representation as to fact or law, including a representation as to the state of mind of—(a) the person making the representation, or (b) any other person.

7. We have noted a claim of exemption from the 1862 Conveyance of Real Estates Act including section 107—Nothing in this Act contained shall entitle any Person to refuse to make a complete Discovery by Answer to any Bill in Equity, or to answer any Question or Interrogatory in any Civil Proceeding, in any Court of Law or Equity, or in the Court of Bankruptcy and the 1677 Statute of Frauds Act by concealment of the instruments of our tender and that you had these consents/exemptions as presentable, material fact before you brought your charges or made your claims.. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

By failing to disclose all information including that which shews contra to your claims and by failing to supply information under Subject Access Requests, these acts, for omission is still an act, brings in to force the UK 2006 Fraud Act, Part 35, section 3--Fraud by failing to disclose information A person is in breach of this section if he—(a) dishonestly fails to disclose to another person information which he is under a legal duty to disclose, and (b) intends, by failing to disclose the information—(i) to make a gain for himself or another, or (ii) to cause loss to another or to expose another to a risk of loss.

We cite Lord Denning, Lord Chief Justice ‘1954, Lazarus v Beasley’ “No court in this land will allow a person to keep an advantage which he has obtained by fraud. No judgment of a Court, no Order of a Minister can be allowed to stand if it has been obtained by Fraud, Fraud unravels everything.”

8. We have noted a claim of exemption—from the UK 1882 Bills of Exchange Act Section 23—Signature essential to liability and that you had these consents/exemptions as presentable, material fact before you brought your charges or made your claims.. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has made claim/demand of indebtedness/for payment, but has not presented Us with a valid and legal Bill—predicated upon a pre existing commercial contract or agreement—which is recognised under the Bills of exchange act of 1882. Because there is no commercial arrangement in place under which to raise a Bill for the bill there arises a direct violation of the 1882 Bills of Exchange Act. Additionally without the wet ink signed commercial arrangement and Bill presented, this Act would also be a contravention of the UK 2006 Fraud Act and to demand payment under threats contravenes the UK 2000 Terrorism Act. We are not in the habit of knowingly conspiring to fraud and/or terrorism. See Bills of exchange act of 1882. <http://www.legislation.gov.uk/ukpga/Vict/45-46/61>.

A claim of ‘contractual obligations being a non-judicial matter.

9. We have noted a claim of exemption from the UK 1861 Forgery Act- Utterings—Whosoever, without lawful authority or excuse (the proof whereof shall lie on the party accused), shall in the name of any other person acknowledge any recognizance or bail, or any cognovit, actionem, or judgment, or any deed or other instrument, before any court, judge, or other person lawfully authorized in that behalf, shall be guilty of felony and that you had these consents/exemptions as presentable, material fact before you brought your charges or made your claims.. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

Jack Beatson FBA, at that time the head of the judiciary was false in that the private corporations/states of judiciary by way of re-examination of the relationship.

We would draw attention to the Contempt of Court Reporting Restriction, "Civil contempt refers to conduct which is not in itself a crime, but which is punishable by the court in order to ensure that its orders are observed. Civil contempt is usually raised by one of the parties to the proceedings. Although the penalty for civil contempt contains a punitive element, its primary purpose is coercion of compliance. We would add that the use of force in a civil matter is a wilful and belligerent act of terrorism and the above Contempt of Court Reporting Restrictions further prevent a judge from holding us in contempt in a civil matter.

11. We have noted a claim contra the statement made by Chandran Kukathas in positing that HM Government plc is an entity, a Corporation/State

Whilst we bring these your acts contra the Statures of your corporation and the corporation/state of HM Government to your attention We would draw your attention to Exhibit (G) of the Affidavit of Truth and statement of Fact--A castle doctrine (also known as a castle law or a defence of habitation law) is a legal doctrine that designates a person's abode (or any legally-occupied place [e.g., a vehicle or workplace]) as a place in which that person has certain protections and immunities permitting him or her, in certain circumstances, to use force (up to and including deadly force) to defend themselves against an intruder, free from legal responsibility/prosecution for the consequences of the force used.[1] Typically deadly force is considered justified, and a defence of justifiable homicide applicable, in cases "when the actor reasonably fears imminent peril of death or serious bodily harm to him or herself or another".

These are very serious crimes MR JOHN JM RIDLEY (CLAIMANT) and under current state legislation there is a cumulative period of incarceration in excess of 150 years' incarceration. We would not wish to encumber the public purse for the costs of this incarceration as the public purse can ill afford this financial encumbrance. There is however an alternative and recognised process as suitable remedy.

As there is now an agreement between the parties by way of lasting tacit agreement through acquiescence, as you have already agreed to the crime then we elect to charge you under this agreement. As the crime was committed against Us then we reserve the right to choose the remedy for these crimes.

Where there is a crime then there is a requirement for a remedy otherwise the crime goes unresolved. As we now have an obligation to bring this crime to resolution we therefore are giving MR JOHN JM RIDLEY (CLAIMANT) an opportunity to resolve.

We have also noted that others in association are also complicit in the same criminal offences. Whomever is complicit in any criminal offences also carries the obligation to bring those also complicit in the same criminal offences to resolution.

This may be viewed to be an excessive action to take as a remedy but we bring your attention back to the affidavit Exhibit (F) No Body gets Paid. The Bank of England note GBP is based upon confidence and Belief where belief is a concept in the abstract which is of no material substance. So is this an excessive action where there is no monetary value. <http://bit.ly/1WV48P> No injury loss or harm can be caused by the action. This is just numbers of no commercial significance as there cannot be commerce without money and there is no such thing as money so there is no such thing as economics.

It could be said that to take this action is to destabilise the economy. WHAT economy? The destabilization of the economy was done generations ago when the government licensed fraudulent Banking Practice—by that we mean Federal Reserve Banking practices, fractional lending and quantitative easing.

We did ask ourselves "Are we committing Fraud" Our response to this was. "Is there full disclosure?" YES. "Is there an agreement between the parties as a result of that disclosure?" YES. "Is there any injury loss or harm?" NO. Then there is no fraud.

Are we destabilising Government? See above. Without the consent of the governed on and for the record then there is no governed and no government by default. What Government? See Exhibit under the affidavit Exhibit (H). Without a valid and accountable government then there is no such thing as the public or the public purse.

MR JOHN JM RIDLEY (CLAIMANT) we have expressed the criminal offences and there is an obligation to resolve. MR JOHN JM RIDLEY (CLAIMANT) is either by wilful intent or ignorance from this day forward is not a fit and proper person to be in a position of trust. Ignorance of the law is no defence.

MR JOHN JM RIDLEY (CLAIMANT) You have seven (7) days to make reparation for your criminal offences. Seven (7) days after that there will be a legal notice of default. Seven (7) days after that there will be a security by way of a lien.

We await your response. Silence creates a tacit and binding agreement through acquiescence.
