Dear MR JOHN JM RIDLEY,

We therefore note that there is a formal agreement to the following:

**Security and Surety by way of: Lien HOH—JOHN JEREMY MARK RIDLEY
CEO SAVILLS PLC—HOHO867
Affidavit of Truth and Statement of Fact**

1. I, Baroness Yvonne of the House of Hobbs (being the undersigned), do solemnly swear, declare, and depose:
2. That I am competent to state the matters herein and that I do take oath and swear that the matters herein are accurate, correct, honest, and true as contained within this Affidavit of Truth and Statement of Fact.
3. That I am herein stating the truth, the whole truth, and nothing but the truth, and that these truths stand as fact until another can provide the material, physical, and tangible evidence and substance to the contrary.
4. That I fully and completely comprehend that before any charges can be brought, it must be first proved, by presenting the material, physical, and tangible evidence and substance to support the facts, that the charges are valid and have substance that can be shown to have a foundation in fact.
5. That I have first-hand knowledge of the facts stated herein.

6. That all the facts stated herein are accurate, cor-evidence, and that if I am called upon as a wit-rect, honest, and true, and are admissible as material ness, that I will testify to their veracity.
7. That the eternal, unchanged principals of truth are as follows:
- All are equal and are free by natural descent.
 - Truth is factual and not subjective to belief, which is nothing of any material, physical, or tangible substance in fact.
 - An un-rebutted Affidavit stands as the truth and fact.
 - An un-rebutted Affidavit is the documented fact and truth on and for the record.
 - All matters must be expressed to be resolved.
 - He who does not rebut the Affidavit agrees to it by default.
 - He who does anything by another's hand is culpable for the actions of the other's hand.
 - A security by way of a lien is, first and foremost, an agreement between the parties, as there is no disagreement between the parties.
 - That he who stands as surety, by providing the security by way of a lien, stands in honour, as that surety is undertaken by agreement, without coercion, duress, or protest, and without the threat of harm, loss, or injury, and, as such, stands in honour for the harm, loss, or injury by their own hand.
8. That a security by way of a lien, which is a commercial process (including this Affidavit), is non-judicial and pre judicial, and:
- That no judge, court, government, or any agencies thereof, or any third parties whatsoever, can abrogate the Affidavit of Truth and Statement of Fact of another, and;
 - That only a party affected by an Affidavit can speak and act for himself and is solely responsible for responding with his own Affidavit of Truth and Statement of Fact, which no one else can do for him, where there is material, physical, and tangible evidence and substance in fact, which definitively is a firm foundation to rebut the rebutted affidavit.
9. That these facts, which form the main body of this Affidavit of Truth and Statement of Fact, are as follows, and that the ma-terial, physical, and tangible evidence and substance to support these facts is provided as exhibits and material, physical, and tangible evidence and substance as a foundation of these facts.

19. It is now on and for the record and in perpetuity that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has never, at any time provided valid, presentable material evidence to support the claim That the HM Courts & Tribunal Services Corporation/State is not inferior to or one sub-office of HM Government plc ; And that the statement by the Hon. Sir Jack Beatson FBA, at that time the head of the judiciary, was false, in his address to Nottingham University, the private corporations/states of the Executive and legislature are superior to the judiciary by way of re-examination of the relationship.
20. It is now on and for the record and in perpetuity that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has never, at any time provided valid, presentable material evidence to support the claim contra the statement made by Chandran Kukathas in positing that HM Government plc is an entity, a Corporation/State.
21. It is now on and for the record and in perpetuity that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has never, at any time provided valid, presentable material evidence to support the claim of right to act in contempt of court—in concealment of valid, presentable material evidence—including that data requested through Subject Access Requests, wet ink signed contracts, presenting signed Bills, all accounting documents, ledgering—for the principal legal embodiment of us to peruse and rebut to the bias to the detriment of MRS YVONNE HOBBS.
22. It is now on and for the record and in perpetuity that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has never, at any time provided valid, presentable material evidence to support the claim there is authority for MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC to wilfully and premeditatedly Act to cause alarm and distress which is a formally recognised act of terrorism which is also a recognised criminal offence upon MRS YVONNE HOBBS without the presentment of the wet ink signed consent of the 64.1 upon this land and including the wet ink signature of MRS YVONNE HOBBS and that you had these consents as presentable, material fact before you brought your charges or made your claims.
23. It is now on and for the record and in perpetuity that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has chosen to enter into a lasting and binding tacit agreement through acquiescence by not negating the facts presented in Exhibit (A), and MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has agreed to the criminal offences documented on and for the record in this correspondence, thus establishing a formal agreement between the parties MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC and MRS YVONNE HOBBS on and for the public record. Since there is no disagreement between the parties, this is a non-judicial matter by default.
24. It is now on and for the record and in perpetuity that all matters must be expressed to be resolved and MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC was offered an opportunity to resolve (see Exhibit (B) as material, physical, and tangible evidence and substance and a foundation to this fact). Since it is MRS YVONNE HOBBS who is the victim of these agreed criminal offences of MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC, then MRS YVONNE HOBBS has the right to redress and choose the remedy for these agreed criminal offences.
25. It can be noted here, for and on the record, that the remedy for the criminal offence of fraud is seven to ten years' incarceration, the latter where there are multiple instances of fraud. MRS YVONNE HOBBS is under no legal or statutory obligation to observe and act upon the State policy regarding this matter and would consider that this extensive term of incarceration would be an insurmountable encumbrance on the public purse. For these reasons, it is decided by MRS YVONNE HOBBS to offer alternative remedy by way of a charge.
26. A second option was also proposed, which is by standing as a surety and, therefore, providing a security by way of a lien, allowing MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC to regain honour without any cause for distress to MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC. (see Exhibit (B)).
27. It is important to note here on and for the record that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has chosen by their actions not to resolve their debt by way of personal cheque or a commercial instrument. It is also important to state here on and for the record that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has not communicated by any means reluctance or objection to stand as surety and provide security by way of a lien on the estate and future earnings of MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC extended to the future generations of MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC

28. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has not disagreed by any means of communication or correspondence to stand as surety for a security by way of a lien for their criminal offences, which have been fully documented and declared by way of this affidavit. As a consequence of not disagreeing with this proposed remedy, has formally agreed to this remedy to stand as surety, and agrees to be a security by way of a lien, and once again stands in honour by their actions by accepting the proposed remedy in full knowledge and understanding, without coercion or deception, and without the threat of harm, loss, or injury.

To this effect, the following is now true and on and for the record that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has agreed to stand as surety and security by way of a lien to MRS YVONNE HOBBS as follows:

24. For the formally agreed criminal offence of Malfeasance in the office of SAVILLS PLC, where MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has agreed to this criminal offence of malfeasance in the office. Where this is an agreed chargeable criminal offence we will elect to formally charge MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC Five Million Pounds GBP

£5,000,000.00

Total agreed debt as resolution for the above listed criminal offences equals Two Hundred and Twenty Five million pounds GBP

£225,000,000.00

29. In accordance with the traditions of this land and as this is a lien then this will be published in all the necessary places.
30. Ignorance is no defence for committing criminal acts. Considering the position of MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC, MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC should have shown more diligence and accountability in the office. It is our considered opinion, due to the severity of the most grievous agreed criminal offences, that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC is no longer a fit and proper person to hold any trusted position in service in the office.
31. It can also be considered that since these most grievous agreed criminal offences have been committed in the office of SAVILLS PLC which is detrimental to the function and the interests of SAVILLS PLC and that MR JOHN JM RIDLEY (CLAIMANT) in the position of CEO for SAVILLS PLC has acted in an ultra vires capacity in the position as CEO for VSAVILLS PLC and without the legal authority to do so, thus it can be concluded that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC could be held culpable for their actions as not in the best interests of SAVILLS PLC
32. Let it be known on and for the record that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has chosen, of their own free will, to stand as surety for a security by the way of a lien to the amount of Two Hundred and Twenty Five million pounds GBP (225,000,000.00 GBP). From Exhibit (C) of this Affidavit, in the House of Ward Affidavit of Truth and Statement of Fact, which is on and for the record, it is noted that the legal tender or fiscal currency, which ever term is used, is representative of confidence, faith, and belief, so this surety for a security by way of a lien is equal to Two Hundred and Twenty Five million pounds GBP (225,000,000.00 GBP) of confidence, faith, and belief.
33. Let it be known on and for the record that confidence, faith, and belief are nothing of any material, physical, or tangible substance or evidence in fact.
34. Let it be known on and for the record that since MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has agreed to this remedy of their own free will, in full knowledge and understanding, without coercion or deception, and without threat of harm, loss, or injury, that MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC stands in honour, and their dignity is restored by their own hand in the community regarding this matter.

Silence creates a binding agreement.

So let it be said.

So let it be written.

So let it be done.

Your ref}Acts to interfere with justice thro use of HMCTS as private prosecutors & of refusal to complete disclosure contra, inc.,1862 Conveyance of Real Estates Act

Our Ref}HOH—JOHN JEREMY MARK RIDLEY CEO SAVILLS PLC—HOHO867

Dear MR JOHN JM RIDLEY,

Thank you for Under Your Ref} K1PP4006 Fraud, trespass and acts of violence upon our property real and corporeal to interfere with justice thro use of HMCTS as private prosecutors & of refusal to complete disclosure/discovery—Acts with knowledge to interfere with justice contra, inc., the 1998 Public Interest Disclosure Act, section 43B (1), In this Part a “qualifying disclosure” means any disclosure of information which, in the reasonable belief of the worker making the disclosure, tends to show one or more of the following—(a)that a criminal offence has been committed, is being committed or is likely to be committed, (b)that a person has failed, is failing or is likely to fail to comply with any legal obligation to which he is subject, (c)that a miscarriage of justice has occurred, is occurring or is likely to occur ; &. And claim of having Power of Attorney over us ; &. And Acts contra the 1861 Forgery Act—Whosoever, without lawful authority or excuse (the proof whereof shall lie on the party accused), shall in the name of any other person acknowledge any recognizance or bail, or any cognovit, actionem, or judgment, or any deed or other instrument, before any court, judge, or other person lawfully authorized in that behalf, shall be guilty of felony ; &. And Acts by “contacting the solicitor for paperwork—Abderdein Considine ” and iterating you have the authority/Power of Attorney which you claim, intitules a disregarding of our right of peaceful enjoyment of our property as owner per Land Registry, and constitutes wet ink signed contractual obligation upon us to you ; &. And Acts contra the 1861 Forgery Act—Whosoever, without lawful authority or excuse (the proof whereof shall lie on the party accused), shall in the name of any other person acknowledge any recognizance or bail, or any cognovit, actionem, or judgment, or any deed or other instrument, before any court, judge, or other person lawfully authorized in that behalf, shall be guilty of felony thro Lloyds thro Abderdein Considine thro HMCTS Nuneaton un named judge thro HMCTS Nuneaton bailiffs thro Leicestershire police claim—in order to subjugate us in terrorem—thro instrument upon which there is claim of right to the “committal” of our corporeal property ; & And acts of right of Lloyds thro Abderdein Considine thro HMCTS Nuneaton un named judge to use the HMCTS Nuneaton un named judge as private prosecution service ; Here we cite from the 2019 case Bates and Others versus Post Office Limited and 2021 case Josephine Hamilton and Others versus Post Office Limited whereby fraud by concealment of data by Post Office Limited was found “no examination of the data, bugs, errors or defects...there was no proof of an actual loss as opposed to an Horizon generated shortage. Even more alarming POL’s own investigator has reported there was no evidence of a theft. We conclude Mrs Hamilton’s prosecution was unfair and an affront to justice.” ; & The judgment in

Bates v Post Office Ltd (No.3: Common Issues) [2019] EWHC 606 (QB) delivered by Mr Justice Fraser was highly critical of the Post Office stating that it showed ‘oppressive behaviour’ in response to claimants who had been dismissed for accounting errors they blamed on the Horizon system [§517]. He went on to say that the submissions provided by the Post Office paid ‘no attention to the actual evidence, and seem to have their origin in a parallel world’ [§138], that the Post Office ‘seemed to adopt an extraordinarily narrow approach to relevance, generally along the lines that any evidence that is unfavourable to the Post Office is not relevant’ [§34], feared ‘objective scrutiny of its behaviour’ [§28] and operated with a ‘culture of secrecy and confidentiality’ [§36] ; We would refer you to the 1885 Weller versus Stone case which, drawing on the Statutes 13E of Usury and 27E of Fraud whereby all the Judges of England agreed “yet where there is usury, or fraud, or covin ; they may be averred so to be against any act whatsoever.” ; &., Acts contra 1677 Statute of Frauds Act, 1882 Bills of Exchange Act, 1989 Law of Property Act, 2006 Fraud Act—to cause us loss by concealment of data financial instruments to record and show the receipt of our Notes, Bills, Liens and Affidavits. And acts of concealment contra 2006 Fraud Act by omission of the wet ink signed contract , collateral agreements, Bills—Part 35, section 2 (1)A person is in breach of this section if he—(a) occupies a position in which he is expected to safeguard, or not to act against, the financial interests of another person, (b) dishonestly abuses that position, and (c) intends, by means of the abuse of that position—(i) to make a gain for himself or another, or (ii) to cause loss to another or to expose another to a risk of loss ; Citing a case before Sir John Stuart and discrete case before Lord Denning 1954, Lazarus v. Beasley “Fraud unravels everything” ; And acts contra the 1677 Statute of Frauds Act and 1689 Bill of Rights Act for the acts of contempt perpetrated against—‘to interfere with justice’ to proceed in oppression to sale— we cite Sir John Stuart ‘when tender has been made the mortgagee has not entitlement to proceed to sale ‘ and we are alert again to the Post Office Limited cases above where it was found similarly the ‘interference with justice AND oppression ; And we cite 1982 1 KB 245, 2 GIFF. 99 Where a mortgagee, after tender of his principal and interest... the Court set the sale aside against him and a person who had bought with knowledge of the tender, 2. A purchaser who buys with knowledge of circumstances sufficient against the mortgagee to invalidate the sale, becomes a party to the transaction and is not protected by the proviso that the purchaser need make no inquiry. 3. Where the costs are unascertained and the security ample, a mortgagee, after a tender of principal and interest, is not entitled to proceed with the sale ; And the 1677 Statute of Frauds Act—176 Anno vicefimo nono ... or any uncertain Interest of, in, to, or out of any Messuages, Manors, Lands, Tenements or hereditaments made or created by Libery and Seisin onely, or by parole, and not put in Writing, and Signed by the parties to making or creating the same, or their Agents thereunto lawfully authorized by Writing, shall have the force and effect of Leases, or Estates at Will only, and shall not either in Law or Equity be deemed or taken to have any other or greater force or effect ; &. And Acts contra 2006 Fraud Act Part 35, section 3—Fraud by failing to disclose information A person is in breach of this section if he—(a) dishonestly fails to disclose to another person information which he is under a legal duty to disclose, and (b) intends, by failing to disclose the information—(i)to make a gain for himself or another, or (ii)to cause loss to another or to expose another to a risk of loss ; &. And Acts contra 1677 Statute of Frauds Act, 1882 Bills of Exchange Act, 1989 Law of Property Act, 2006 Fraud Act—to cause us loss by concealment of data financial instruments to record and show the receipt of our Notes, Bills, Liens and Affidavits ; &. And Acts of concealment contra 2006 Fraud Act by omission of the wet ink signed contract , collateral agreements, Bills—Part 35, section 2 (1)A person is in breach of this section if he—(a) occupies a position in which he is expected to safeguard, or not to act against, the financial interests of another person, (b) dishonestly abuses that position, and (c) intends, by means of the abuse of that position—(i) to make a gain for himself or another, or (ii) to cause loss to another or to expose another to a risk of loss ; &. And Acts to claim power of attorney and authority contra, not least ,the 1862 Conveyance of Real Estates Act section 107—Nothing in this Act contained shall entitle any Person to refuse to make a complete Discovery by Answer to any Bill in Equity, or to answer any Question or Interrogatory in any Civil Proceeding, in any Court of Law or Equity, or in the Court of Bankruptcy ; &. It is a Maxim of the rule of law that he who makes a claim also carries the obligation by way of the fact that a claim has been made to present as material evidence, the material and factual substance of that claim. We would note that where there is no material evidence to support a claim then the claim would be fraudulent in nature which is recognized fraud by misrepresentation, a known criminal offence that is chargeable.

We would also draw to the attention of MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC the Baron David Ward Affidavit, served upon every MP in the office of HM Parliament Corporation/State. This is a formal and legal process where, when left rebutted on a point by point basis leads to a formal, legal agreement in fact and law and we shall refer to it in detail from hereonin. The self intituled MPs who are employees of a private corporation, were served the Affidavit again—in October 2022—without rebuttal. The link to the public notices is given here: https://justpaste.it/MP_SECURITISED_LIENS And <https://tinyurl.com/BIT-LY-LINKS-LIENS-UptoDate>

We have also noted and it is fact, that a Chief Executive Officer is culpable and liable for the activities of the Officers—which includes Steven Morish, where we have no examination of the data, instruments, power of attorney for trespasses against us And refusal to answer disclosure/discovery and interfere with justice—of the corporation(s) under his remit which is why we write to you JOHN JEREMY MARK RIDLEY.

There is established a clear and noted obligation of service for MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC to provide the valid and presentable material evidence to support the claims being made.

1. We have noted a claim of authority under UK Public General Acts—for which the mandatory requirement for HM Government Corporation/State before any Acts and statutes can be legally acted upon—being the getting of the wet-ink consents of the 64.1 million 'governed' is required and that you had these consents, even if previously concealed, as presentable, material fact before you brought your charges or made your claims. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

From Exhibit (B). —Case Authority WI-05257F David Ward V Warrington Borough Council, 30thDay of May 2013. Which is a case at court tribunal undertaken by recognised due process.

It is evident David Ward did not challenge the PCN or the traffic Management Act 2004 section 82 but the presumption of the consent of the governed.

What is a mandatory requirement before the Acts and statutes can be legally acted upon is for the consent of the governed to be valid and that it can be presented as material fact before any charges or claims can be brought.

It is clear from this case authority undertaken by due process that: -(1) It is illegal to act upon any of the Acts or statutes without the consent of the governed [where the governed have actually given their consent] and that consent is presentable as material physical evidence of the fact that the governed have given their consent. (2) Where the Acts and statutes are acted upon then this is illegal and a criminal action by the Corporation/State. (3) The criminal action is Malfeasance in a public office and fraud. (4) Where there is no consent of the governed on and for the public record then there is no governed and where there is no governed then there is no government. The one cannot exist without the other—they are mutually exclusive. (5) As this criminal activity is observed to be standard practice and has been for nearly 800 years, then this is clear observable evidence to the fact that LAW is a presumption and there is no such thing as LAW. See Exhibit (A) the twelve presumptions of law.

Without this legal consent—the circa 64.1 million wet ink signed consents of the Governed—there is

no legal authority under which there is a recognised officer of the Private Corporation/State that carries the necessary legal authority to create culpability, liability or agreement or otherwise enforce private corporate policy.

We refer you to the Baron David Ward unrebutted Affidavit Exhibit A—Formal challenge to the twelve presumptions of law. We have challenged all the Presumptions of Law. We have since obtained Securitized liens against you without most importantly any rebuttal and to this day not one piece of evidence of Corporate/State authority of Us has been presented.

We repeat, We formally challenge all presumptions of law and as we have formally challenged all the twelve presumptions of law then the presumption of law formally has no substance in material FACT. We will recognise the rule of law, when and only when there is the material evidence of that assumed rule of law has some material evidence of substance in presentable material fact.

We refer you to Exhibit C of the David Ward Affidavit where Chandran Kukathas PhD details over 7 pages that the State is a private corporation and specifically a legal embodiment by act of registration; And of no material substance. Fraud however has been defined as a criminal act with full knowledge and intent to engage in criminal behaviour to benefit one, at the expense of another. To bring about by an act of force, support of this fraud is also recognised as an act of terrorism.

From Exhibit (C)—The Material evidence of the FACTS.

It has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, on and for the record that:- (1) Whilst there is no material and physical evidence presented to the fact that the governed have given their consent then the office of the Judiciary has no greater authority than the manageress of McDonalds being as the office of the Judiciary is a sub office of a legal embodiment by an act of registration where this act of registration creates nothing of physical material substance and which is also fraud by default. Any objection to this observation of fact should be taken up with the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, whereupon the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA would then have to present the material and physical evidence that the governed have given their consents.

As the office of the Judiciary is nothing more than a private commercial and fraudulent enterprise built upon fraud and criminal intent. This is by no stretch of the imagination a valid government by the people for the people as it is by default a private company providing a judicial service for profit and gain but where there is also and always a conflict of interests—where there is a conflict of interests between the needs of the people and the state (Corporate) Policy which has no obligation to the people or even the needs and wellbeing of corporation staff. This has been confirmed by Chandran Kukathas of the London School of Economics and state office titled the Department of Government.

Disagreements arising from ‘contracts’ are non-judicial and outside the scope of the private courts of the judiciary—these being the sub-offices of the private Corporation/State of HM Government plc as shown above. As has been confirmed by the esteemed Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA the office of the Judiciary (Court) is a sub office of a Private Limited corporation (HM Parliaments & Governments PLC) and that such an officer of a Private corporation court does not have the status to give or grant a Court Order outside of that Private corporation Office.

To bring about by an act of force, support of this fraud is also recognised as an act of terrorism Under the UK 2000 Terrorism Act, s.1,5—action taken for the benefit of a proscribed organisation It is evident from the omissions that there is no wet-ink signed contract between ‘the parties’ including between the Corporation/State of HM Government plc and SAVILLS PLC or Us.

2. We have noted a claim of exemption from the 1689 Bill of Rights Act for the acts of contempt perpetrated against us—including concealment that tender was made in May 2023—‘to interfere with justice’ and that you had these consents as presentable, material fact before you brought your charges or made your claims.. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

And to further underline the malfeasance being demonstrated by the taking of our property—intangible and real to ensure subjugation and to extort us, we cite the 1677 Statutes of Fraud Act, Sir John Stuart and we cite Lord Denning 1956 Lazarus v. Beazley while again referring you to the Facts including the }UK 2006 Fraud Act, Part 35, section 2—F RAUD by ABUSE of POSITION (1)A person is in breach of this section if he—(a) occupies a position in which he is expected to safeguard, or not to act against, the financial interests of another person, (b) dishonestly abuses that position, and (c) intends, by means of the abuse of that position—(i) to make a gain for himself or another, or (ii) to cause loss to another or to expose another to a risk of loss. (2) A person may be regarded as having abused his position even though his conduct consisted of an omission rather than an act.

Fraud is a deliberate action to defraud where the victim of the crime is unaware having no knowledge of a situation or fact. This crime carries a penalty of incarceration for 7 to 10 years and the latter, where there is multiple instances of. 64.1 million people are subject to this crime everyday as it is now commonplace and is carried out by the largest and most ruthless criminal company in this country. This same company is also a public office with the enforcement to execute this crime which is inclusive of but not limited to:- The office of the police, The office of the Judiciary, Local government and central government. Independent Bailiff Companies which are licensed by the same company.

3. We have noted a claim of exemption from the 1677 Statutes of Frauds Act with a grant of Power of Attorney or contract for the trespass not declared in signed writing—176 Anno vicefimo nono...or any uncertain Interest of, in, to, or out of any Messuages, Manors, Lands, Tenements or hereditaments made or created by Libery and Seisin onely, or by parole, and not put in Writing, and Signed by the parties to making or creating the same, or their Agents thereunto lawfully authorized by Writing, shall have the force and effect of Leases, or Estates at Will only, and shall not either in Law or Equity be deemed or taken to have any other or greater force or effect ; And of exemption—from the UK 1882 Bills of Exchange Act Section 23 —Signature essential to liability ; MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

We now refer you to Exhibit (A) of the Affidavit which defines that profiteering contravenes the UK 2006 Fraud Act. We should also point out to you that it is a direct contravention of the UK 2000 Terrorism Act, s.15 Fund raising is an offence if a person invites another to provide money or other property and intends that it should be used for the purposes of terrorism. Insisting or demanding payment without a pre existing commercial arrangement which is based on presentable fact in the form of a commercial agreement is an act of deception. Payment is a commercial activity. We are not in the habit of knowingly conspiring to fraud or knowingly funding terrorism. This action would also create a liability against us.

MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has made claim/demand of indebtedness/for payment, but has not presented Us with a valid and legal Bill—predicated upon a pre existing commercial contract or collateral contract or any agreement—which is recognised under the Bills of exchange act of 1882. Because there is no commercial arrangement in place under which to raise a Bill for a bill to arise is also a direct violation of the 1882 Bills of Exchange Act. Additionally without the wet ink signed commercial arrangement and Bill presented, this Act would also be a contravention of the UK 2006 Fraud Act and to demand payment—under threats—contravenes the UK 2000 Terrorism Act. We are not in the habit of knowingly conspiring to fraud and/or terrorism. See Bills of exchange act of 1882. <http://www.legislation.gov.uk/ukpga/Vict/45-46/61>.

A claim of 'contractual obligations being a non-judicial matter and UTTERING' as act(s) contra the 1861 Forgery Act—Whosoever, without lawful authority or excuse (the proof whereof shall lie on the party accused), shall in the name of any other person acknowledge any recognizance or bail, or any cognovit, actionem, or judgment, or any deed or other instrument, before any court, judge, or other person lawfully authorized in that behalf, shall be guilty of felony.

4. We have noted a claim of exemption under 1989 UK Law of Property (Miscellaneous Provisions) Act c.34, s.2—Contracts for sale etc. of land to be made by signed writing . MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

From Exhibit (D) of the Affidavit and Statement of Fact for Case Authority WI-05257F. 30d of May 2013 it is evident there is due process for the execution of legal and commercial documents. Where these processes are not followed then the very presence of a document which does not comply with these processes, is itself is the physical and material evidence of Malfeasance in a public office and fraud. We would point your attention to the FACTs that a corporation must execute documents legally and failure to do so renders the documents non legal and void—(1) Under the law of England and Wales or Northern Ireland a document is executed by a company—(a) by the affixing of its common seal, or (b) by signature in accordance with the following provisions. (2) A document is validly executed by a company if it is signed on behalf of the company— (a) by two authorised signatories, or (b) by a director of the company in the presence of a witness who attests the signature. (4) A document signed in accordance with subsection (2) and expressed in whatever words, to be executed by the company, has the same effect as if executed under the common seal of the company. The legal effect of the statute is that documents and deeds must be signed on behalf of the company by a director in the presence of a witness, or by two authorised signatories. Without adherence to these provisions no contracts can be considered duly executed by a company and their terms are therefore legally unenforceable. We would refer you to the 1885 Weller versus Stone case which, drawing on the Statutes 13E of Usury and 27E of Fraud whereby all the Judges of England agreed “yet where there is usury, or fraud, or covin ; they may be averred so to be against any act whatsoever.” We cite 2019 Bates and

Others versus Post Office Limited and 2021 Josephine Hamilton and Others versus Post Office Limited whereby fraud by concealment of data was found ; We cite Lord Denning 1954, Lazarus v. Beasley “Fraud unravels everything” ; And we cite Sir John Stuart ‘when tender has been made the mortgagee has not entitlement to proceed to sale ‘ ; Continuing, in 1982 1 KB 245, 2 GIFF. 99 Where a mortgagee, after tender of his principal and interest... the Court set the sale aside against him and a person who had bought with knowledge of the tender, 2. A purchaser who buys with knowledge of circumstances sufficient against the mortgagee to invalidate the sale, becomes a party to the transaction and is not protected by the proviso that the purchaser need make no inquiry. 3. Where the costs are unascertained and the security ample, a mortgagee, after a tender of principal and interest, is not entitled to proceed with the sale; And the 1677 Statute of Frauds Act—176 Anno vicefimo nono ... or any uncertain Interest of, in, to, or out of any Messuages, Manors, Lands, Tenements or hereditaments made or created by Libery and Seisin onely, or by parole, and not put in Writing, and Signed by the parties to making or creating the same, or their Agents thereunto lawfully authorized by Writing, shall have the force and effect of Leases, or Estates at Will only, and shall not either in Law or Equity be deemed or taken to have any other or greater force or effect ; We draw to your attention to the detail of the 11 March 2019 thro 2 July 2019 case reference HQ16X01238, HQ17X02637 and HQ17X04248 in the high court before Mr Justice Fraser of ‘Bates and Others versus Post Office Limited’[POL]—a company wholly owned by HM Government—wherein despite the fraud and circumvention of POL to conceal discovery, Bates and Others won their case. Mr Stuart Wentworth QC in questioning Mr. Alan Bates cites an “information sheet”—which is not a contract of reciprocity—that ‘postmaster responsible for losses’. Questioning Mrs Pam Stubbs she is referred by Mr Wentworth to section 19 paragraph 4 of a POL contract. Further in the 23 April 2021 appeal in the high court of ‘Josephine Hamilton and Others’ Mr Justice said in quashing their convictions for the above ‘fraud and circumvention of POL to conceal discovery’ “there was no examination of the data, bugs, errors or defects...there was no proof of an actual loss as opposed to an Horizon generated shortage. Even more alarming POL’s own investigator has reported there was no evidence of a theft. We conclude Mrs Hamilton’s prosecution was unfair and an affront to justice.” Further after the above cases and long after the acts of POL against the sub post masters, it was brought to the attention of Lord James Arbuthnot and the POL Forensic accountant, that within an independent legal advice report commissioned by POL in the Summer of 2013—and concealed by POL—that POL were in full knowledge, and not only failed to disclose but continued their acts, along the lines of the unsafe convictions already given to sub post masters and to those currently being pursued by POL. We cite Lord Arbuthnot ‘POL lied to and were in contempt’. As stated above, it should also be kept to the forefront of mind that POL being owned by HM Government and the judiciary being one sub-office of HM Government that HM Government was fully cognizant with these matters throughout. Equally for those whose property including real property was wrested from them on the claims and non disclosures—that is the concealment—[for non disclosure seems anodyne] of POL, HM Land Registry is also owned by HM Government, and a party to the fraud. We, having previously cited cases where Charles A Nunn CEO of Lloyds bank, act contra, the 1677 Statutes of Frauds act including when in 1721 the Lord Chancellor dismissed the Bill, it appearing that as the Agreement was made in Writing, it was unequal and against Reason. And 1720 Lord Macclesfield ‘Court of Equity will not decree execution of articles where they appear to be unreasonable or are founded on a fraud—for that would be to decree Iniquity. Sir John Stuart and Lord Denning 1956 [Lazarus vs. Beasley] "No court in this land will allow a person to keep an advantage which he has obtained by fraud. No judgment of a court, no Order of a Minister can be allowed to stand if it has been obtained by Fraud, fraud unravels everything..." And now we add the citation of Bates and Others vs. Post Office Limited to an already large body of court case material. The fraud of concealment is of no less significance than the fraud of presenting false instruments. That we have brought this to your attention, including the refusal of Charles Alan Nunn contra 2018 GDPR Act and the controllers law is, it seems a further reason to act against us contra the 2010 Equality act for, as in the cases of POL, Charles A Nunn CEO of Lloyds should they be able to substantiate their claims, would have no reason for concealment or for the preventing of their further acts of fraud should they reveal, by disclosure, an absence of any lawful right to act against us and our property—this includes the claims of Charles A Nunn CEO of Lloyds that they and their agents have a right to use force against our corporeal property and our real property. A Court of Equity considers iniquitous those contracts/agreements which appear to be unreasonable or are founded on a fraud—for that would be to decree Iniquity.

Referencing the UK 2006 Fraud Act, Part 35, section 2--FALSE REPRESENTATION A representation is false if—(a) it is untrue or misleading, and (b)the person making it knows that it is, or might be, untrue or misleading. (3)“Representation” means any representation as to fact or law, including a representation as to the state of mind of—(a)the person making the representation, or (b)any other person.

We refer you to Exhibit C of the David Ward Affidavit where under the —Including the taking of Our property of data and using it as your own without Our knowledge or consent, the threats against Our property and the further claims to benefit a private Corporation/State and extorting money with neither signature nor contract is an act of force ***in terrorem***.

5. We have noted a claim of exemption from the UK 2006 Companies Act, including section 44, the Execution of documents ; . MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.
6. We have noted a claim of exemption under UK Public General Acts—from the UK 1998 Public Interest Disclosure Act, section 43B (1) ; he disclosure, tends to show one or more of the following

—(a)that a criminal offence has been committed, is being committed or is likely to be committed, (b)that a person has failed, is failing or is likely to fail to comply with any legal obligation to which he is subject, (c)that a miscarriage of justice has occurred, is occurring or is likely to occur ; And 2006 Fraud Act, including sections 2-Failing to disclose information ; And 4-Abuse of position MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

By failing to disclose all information including that which shews facts contra to your claims and by failing to supply information under Subject Access Requests, these acts, for omission is still an act, brings in to force the UK 2006 Fraud Act, Part 35, section 3--Fraud by failing to disclose information A person is in breach of this section if he—(a) dishonestly fails to disclose to another person information which he is under a legal duty to disclose, and (b) intends, by failing to disclose the information—(i)to make a gain for himself or another, or (ii)to cause loss to another or to expose another to a risk of loss. We cite Lord Denning, Lord Chief Justice ‘1956, Lazarus v Beasley’ “No court in this land will allow a person to keep an advantage which he has obtained by fraud. No judgment of a Court, no Order of a Minister can be allowed to stand if it has been obtained by Fraud, Fraud unravels everything.”

We would refer you to the 1885 Weller versus Stone case which, drawing on the Statutes 13E of Usury and 27E of Fraud whereby all the Judges of England agreed “yet where there is usury, or fraud, or covin ; they may be averred so to be against any act whatsoever.” We cite 2019 Bates and Others versus Post Office Limited and 2021 Josephine Hamilton and Others versus Post Office Limited whereby fraud by concealment of data was found ; Sir John Stuart and we cite Lord Denning 1954, Lazarus v. Beasley “Fraud unravels everything” ; And we cite Sir John Stuart ‘when tender has been made the mortgagee has not entitlement to proceed to sale ‘ ; Continuing in 1982 1 KB 245, 2 GIFF. 99 Where a mortgagee, after tender of his principal and interest... the Court set the sale aside against him and a person who had bought with knowledge of the tender.

We draw to your attention the 11 March 2019 thro 2 July 2019 case reference HQ16X01238, HQ17X02637 and HQ17X04248 in the high court before Mr Justice Fraser of ‘Bates and Others versus Post Office Limited’[POL]—a company wholly owned by HM Government—wherein despite the fraud and circumvention of POL to discovery, Bates and Others were successful in exposing the fraud and concealment and usury and iniquitous contracts to the wider gaze. Mr Stuart Wentworth QC in questioning Mr. Alan Bates cites an information sheet—which is not a contract of reciprocity—that ‘postmaster responsible for losses’. Questioning Mrs Pam Stubbs she is referred by Mr Wentworth to section 19 paragraph 4 of a POL contract. Further in the 23 April 2021 appeal in the high court of ‘Josephine Hamilton and Others’ Mr Justice said in quashing their convictions for the above ‘fraud and circumvention of POL to discovery’ “there was no examination of the data, bugs, errors or defects...there was no proof of an actual loss as opposed to an Horizon generated shortage. Even more alarming POL’s own investigator has reported there was no evidence of a theft. We conclude Mrs Hamilton’s prosecution was unfair and an affront to justice.”

7. We have noted a claim of exemption under UK Public General Acts—1862 Conveyance of Real Estates Act not least sections 138, 106 107 and 105— If in an Proceeding to obtain the Registration of an Land or any Land Certificate or Certificate of Title, or otherwise in any Transaction relating to Land which is or is to be put upon the Registry, any Person acting either as Principal or Agent shall, knowingly and with Intent to deceive, make or assist or join in or be privy to the making of any material false Statement or Representation, or suppress, conceal, or assist or join in or be privy to the suppressing, withholding, or concealing from any Judge, or the Registrar, or any Person employed by or assisting the Registrar, any material Document, Fact, or Matter of Information, every Person so acting shall be deemed to be guilty of a Misdemeanor... The Act or Thing done or obtained by means of such Fraud or Falsehood shall be null and void to all Intents and Purposes : . MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

And We would refer you to the 1885 Weller versus Stone case which, drawing on the Statutes 13E of Usury and 27E of Fraud whereby all the Judges of England agreed “yet where there is usury, or fraud, or covin ; they may be averred so to be against any act whatsoever.” We cite 2019 Bates and Others versus Post Office Limited and 2021 Josephine Hamilton and Others versus Post Office Limited whereby fraud by concealment of data was found ; We cite Lord Denning 1954, Lazarus v. Beasley “Fraud unravels everything” ; And we cite Sir John Stuart ‘when tender has been made the mortgagee has not entitlement to proceed to sale ‘ ; Continuing, in 1982 1 KB 245, 2 GIFF. 99 Where a mortgagee, after tender of his principal and interest... the Court set the sale aside against him and a person who had bought with knowledge of the tender, 2. A purchaser who buys with knowledge of circumstances sufficient against the mortgagee to invalidate the sale, becomes a party to the transaction and is not protected by the proviso that the purchaser need make no inquiry. 3. Where the costs are unascertained and the security ample, a mortgagee, after a tender of principal and interest, is not entitled to proceed with the sale; And the 1677 Statute of Frauds Act—176 Anno vicefimo nono ... or any uncertain Interest of, in, to, or out of any Messuages, Manors, Lands, Tenements or hereditaments made or created by Libery and Seisin onely, or by parole, and not put in Writing, and Signed by the parties to making or creating the same, or their Agents thereunto lawfully

authorized by Writing, shall have the force and effect of Leases, or Estates at Will only, and shall not either in Law or Equity be deemed or taken to have any other or greater force or effect ; We draw to your attention to the detail of the 11 March 2019 thro 2 July 2019 case reference HQ16X01238, HQ17X02637 and HQ17X04248 in the high court before Mr Justice Fraser of ‘Bates and Others versus Post Office Limited’[POL]—a company wholly owned by HM Government—wherein despite the fraud and circumvention of POL to conceal discovery, Bates and Others won their case. Mr Stuart Wentworth QC in questioning Mr. Alan Bates cites an “information sheet”—which is not a contract of reciprocity—that ‘postmaster responsible for losses’. Questioning Mrs Pam Stubbs she is referred by Mr Wentworth to section 19 paragraph 4 of a POL contract. Further in the 23 April 2021 appeal in the high court of ‘Josephine Hamilton and Others’ Mr Justice said in quashing their convictions for the above ‘fraud and circumvention of POL to conceal discovery’ “there was no examination of the data, bugs, errors or defects...there was no proof of an actual loss as opposed to an Horizon generated shortage. Even more alarming POL’s own investigator has reported there was no evidence of a theft. We conclude Mrs Hamilton’s prosecution was unfair and an affront to justice.” Further after the above cases and long after the acts of POL against the sub post masters, it was brought to the attention of Lord James Arbuthnot and the POL Forensic accountant, that within an independent legal advice report commissioned by POL in the Summer of 2013—and concealed by POL—that POL were in full knowledge, and not only failed to disclose but continued their acts, along the lines of the unsafe convictions already given to sub post masters and to those currently being pursued by POL. We cite Lord Arbuthnot ‘POL lied to and were in contempt’. As stated above, it should also be kept to the forefront of mind that POL being owned by HM Government and the judiciary being one sub-office of HM Government that HM Government was fully cognizant with these matters throughout. Equally for those whose property including real property was wrested from them on the claims and non disclosures—that is the concealment—[for non disclosure seems anodyne] of POL, HM Land Registry is also owned by HM Government, and a party to the fraud. We, having previously cited cases where Charles A Nunn CEO of Lloyds bank, act contra, the 1677 Statutes of Frauds act including when in 1721 the Lord Chancellor dismissed the Bill, it appearing that as the Agreement was made in Writing, it was unequal and against Reason. And 1720 Lord Macclesfield ‘Court of Equity will not decree execution of articles where they appear to be unreasonable or are founded on a fraud—for that would be to decree Iniquity. Sir John Stuart and Lord Denning 1956 [Lazarus vs. Beasley] "No court in this land will allow a person to keep an advantage which he has obtained by fraud. No judgment of a court, no Order of a Minister can be allowed to stand if it has been obtained by Fraud, fraud unravels everything..." And now we add the citation of Bates and Others vs. Post Office Limited to an already large body of court case material. The fraud of concealment is of no less significance than the fraud of presenting false instruments. That we have brought this to your attention, including the refusal of Charles Alan Nunn contra 2018 GDPR Act and the controllers law is, it seems a further reason to act against us contra the 2010 Equality act for, as in the cases of POL, Charles A Nunn CEO of Lloyds should they be able to substantiate their claims, would have no reason for concealment or for the preventing of their further acts of fraud should they reveal, by disclosure, an absence of any lawful right to act against us and our property—this includes the claims of Charles A Nunn CEO of Lloyds that they and their agents have a right to use force against our corporeal property and our real property. A Court of Equity considers iniquitous those contracts/agreements which appear to be unreasonable or are founded on a fraud—for that would be to decree Iniquity.

Referencing the UK 2006 Fraud Act, Part 35, section 2--FALSE REPRESENTATION A representation is false if—(a) it is untrue or misleading, and (b)the person making it knows that it is, or might be, untrue or misleading. (3)“Representation” means any representation as to fact or law, including a representation as to the state of mind of—(a)the person making the representation, or (b)any other person.

8. We have noted a claim of exemption under UK Public General Acts—1862 Conveyance of Real Estates Act not least sections 105, 106 107 and 138—If any Person fraudulently procures, assists in fraudulently procuring, or is privy to the fraudulent Procurement of any Order of the Court of Chancery in relation to registered Land, or fraudulently procures, assists in fraudulently procuring, or is privy to the fraudulent Procurement of the Entry on the Register of any Caveat or Notice of a Charge, or of the Erasure from the Register or Alteration on the Register of any Caveator Notice of a Charge, such Person shall be deemed to be guilty of a Misdemeanor ;and any Order procured by Fraud, and any Act consequent on such Order, and any Entry, Erasure, or Alteration so made by Fraud, shall be void as between all Parties or Privies to such Fraud including concealment of any Agreement, Or any collateral agreement Or promise Or Contract including for Sale of Land, of an accounting ledger showing detail of a Contract/Agreement/Obligation, of mutual consideration shewn, all wet-ink signed to include an Outstanding balance, balance due, Bills raised, outstanding, missed payments made, owed on your account, arrears—for us to peruse and rebut. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.
9. We have noted a claim That the HM Courts & Tribunal Services Corporation/State is not inferior to or one sub-office of HM Government plc ; And that the statement by the Hon. Sir Jack Beatson FBA, at that time the head of the judiciary, was false, in his address to Nottingham University, the private corporations/states of the Executive and legislature are superior to the judiciary by way of re-examination of the relationship. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC

has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

10. We have noted a claim contra the statement made by Chandran Kukathas in positing that HM Government plc is an entity, a Corporation/State. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

We would draw attention to the Contempt of Court Reporting Restriction, "Civil contempt refers to conduct which is not in itself a crime, but which is punishable by the court in order to ensure that its orders are observed. Civil contempt is usually raised by one of the parties to the proceedings. Although the penalty for civil contempt contains a punitive element, its primary purpose is coercion of compliance. We would add that the use of force in a civil matter is a wilful and belligerent act of terrorism and the above Contempt of Court Reporting Restrictions further prevent a judge from holding us in contempt in a civil matter.

11. We have noted a claim of right to act in contempt of court—in concealment of valid, presentable material evidence—including that data requested through Subject Access Requests, wet ink signed contracts, presenting signed Bills, all accounting documents, ledgering—for the principal legal embodiment of us to peruse and rebut to the bias to the detriment of MRS YVONNE HOBBS. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

Whilst we bring these your acts contra the Statutes of your corporation and the corporation/state of HM Government to your attention We would draw your attention to Exhibit (G) of the Affidavit of Truth and statement of Fact--A castle doctrine (also known as a castle law or a defence of habitation law) is a legal doctrine that designates a person's abode (or any legally-occupied place [e.g., a vehicle or workplace]) as a place in which that person has certain protections and immunities permitting him or her, in certain circumstances, to use force (up to and including deadly force) to defend themselves against an intruder, free from legal responsibility/prosecution for the consequences of the force used.[1] Typically deadly force is considered justified, and a defence of justifiable homicide applicable, in cases "when the actor reasonably fears imminent peril of death or serious bodily harm to him or herself or another".

Failure to provide the valid, presentable material evidence to support the above listed claims made by MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC in the next seven (7) days will enter MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC in to a lasting and binding tacit agreement through acquiescence to the following effect:}

Our Ref}HOH—JOHN JEREMY MARK RIDLEY CEO SAVILLS PLC—HOHO867

Dear MR JOHN JM RIDLEY,

We have noted as of this day the 16 February 2024 that there has been no legal response to our previous correspondence dated the 26 January 2024, 2 February 2024 and 9 February 2024 respectively. There is now a formal agreement due to the absence of any valid material legal evidence.

If there is a crime to be redressed then it is important to comprehend the full extent of the crime before a solution or a remedy can be executed. You MR JOHN JM RIDLEY (CLAIMANT) CEO have already been instrumental in this remedy as you have provided vital material evidence which is a part of the solution or remedy. For this material evidence, we thank you.

This may not be evident at first but the solution or remedy will benefit all including yourself. Complex matters have complex solutions, we can assure you that this solution is complex and these complexities may not be comprehended at first.

In the interests of candour and clarity:

It is a maxim of the rule of law that whomsoever brings a claim has the obligation to provide the material substance of that claim, else the claim is fraudulent in nature which is fraud by Misrepresentation and Malfesance in the office. In addition to this an act of force where there is no material evidence and substance to a valid claim is also an act **in terrorem**, a wilful and belligerent act of terrorism.

There is therefore a formal legal requirement for MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC to present the valid material evidence to the following effect.

1. We have noted a claim of authority under UK Public General Acts—for which the mandatory requirement for HM Government Corporation/State before any Acts and statutes can be legally acted upon—being the getting of the wet-ink consents of the 64.1 million 'governed' is required and that you had these consents, even if previously concealed, as presentable, material fact before you brought your charges or made your claims. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

From Exhibit (B). —Case Authority WI-05257F David Ward V Warrington Borough Council, 30thDay of May 2013. Which is a case at court tribunal undertaken by recognised due process.

It is evident David Ward did not challenge the PCN or the traffic Management Act 2004 section 82 but the presumption of the consent of the governed.

What is a mandatory requirement before the Acts and statutes can be legally acted upon is for the consent of the governed to be valid and that it can be presented as material fact before any charges or claims can be brought.

It is clear from this case authority undertaken by due process that: -(1) It is illegal to act upon any of the Acts or statutes without the consent of the governed [where the governed have actually given their consent] and that consent is presentable as material physical evidence of the fact that the governed have given their consent. (2) Where the Acts and statutes are acted upon then this is illegal and a criminal action by the Corporation/State. (3) The criminal action is Malfeasance in a public office and fraud. (4) Where there is no consent of the governed on and for the public record then there is no governed and where there is no governed then there is no government. The one cannot exist without the other—they are mutually exclusive. (5) As this criminal activity is observed to be standard practice and has been for nearly 800 years, then this is clear observable evidence to the fact that LAW is a presumption and there is no such thing as LAW. See Exhibit (A) the twelve presumptions of law.

Without this legal consent—the circa 64.1 million wet ink signed consents of the Governed—there is no legal authority under which there is a recognised officer of the Private Corporation/State that carries the necessary legal authority to create culpability, liability or agreement or otherwise enforce private corporate policy.

We refer you to the Baron David Ward unrebutted Affidavit Exhibit A—Formal challenge to the twelve presumptions of law. We have challenged all the Presumptions of Law. We have since obtained Securitized liens, lawful instruments, without most importantly any rebuttal and to this day not one piece of evidence of Corporate/State authority of Us has been presented.

We repeat, We formally challenge all presumptions of law and as we have formally challenged all the twelve presumptions of law then the presumption of law formally has no substance in material FACT.

We will recognise the rule of law, when and only when there is the material evidence of that assumed rule of law has some material evidence of substance in presentable material fact.

We refer you to Exhibit C of the David Ward Affidavit where Chandran Kukathas PhD details over 7 pages that the State is a private corporation and specifically a legal embodiment by act of registration; And of no material substance.

Fraud however has been defined as a criminal act with full knowledge and intent to engage in criminal behaviour to benefit one, at the expense of another. To bring about by an act of force, support of this fraud is also recognised as an act of terrorism.

From Exhibit (C)—The Material evidence of the FACTS.

In order to interfere with justice it is shown that, with knowledge, of the Fraud, trespass and acts of violence upon our property real and corporeal is accomplished with the aid of others who become as culpable including thro the use of HM Courts and Tribunal Services as private prosecutors.

It has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, on and for the record that:- (1) Whilst there is no material and physical evidence presented to the fact that the governed have given their consent then the office of the Judiciary has no greater authority than the manageress of McDonalds being as the office of the Judiciary is a sub office of a legal embodiment by an act of registration where this act of registration creates nothing of physical material substance and which is also fraud by default. Any objection to this observation of fact should be taken up with the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, whereupon the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA would then have to present the material and physical evidence that the governed have given their consents.

As the office of the Judiciary is nothing more than a private commercial and fraudulent enterprise built upon fraud and criminal intent. This is by no stretch of the imagination a valid government by the people for the people as it is by default a private company providing a judicial service for profit and gain but where there is also and always a conflict of interests—where there is a conflict of interests between the needs of the people and the state (Corporate) Policy which has no obligation to the people or even the needs and wellbeing of corporation staff. This has been confirmed by Chandran Kukathas of the London School of Economics and state office titled the Department of Government.

Disagreements arising from ‘contracts’ are non-judicial and outside the scope of the private courts of the judiciary—these being the sub-offices of the private Corporation/State of HM Government plc as shown above. As has been confirmed by the esteemed Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA the office of the Judiciary (Court) is a sub office of a Private Limited corporation (HM Parliaments & Governments PLC) and that such an officer of a Private corporation court does not have the status to give or grant a Court Order outside of that Private corporation Office. The use of HMCTS as private prosecutors, shews those ‘acts’ fall in to the 2006

Fraud Act Part 35, section 3, as Mr Justice ‘that the submissions provided by the Post Office seem to have their origin in a parallel world’ extraordinarily narrow approach to relevance, generally along the lines that any evidence that is unfavourable to the Post Office is not relevant’ [§34],

Fraser records within the Post Office judgment fice paid ‘no attention to the actual evidence, and [§138], that the Post Office ‘seemed to adopt an ex-

To bring about by an act of force, support of this fraud is also recognised as an act of terrorism Under the UK 2000 Terrorism Act, s.1,5—action taken for the benefit of a proscribed organisation It is evident from the omissions that there is no wet-ink signed contract between ‘the parties’ including between the Corporation/State of HM Government plc and SAVILLS PLC.

2. We have noted a claim of exemption from the 1689 Bill of Rights Act &. And the 1998 Public Interest Disclosure Act, for the acts of contempt perpetrated against us—including concealment, that refusal to complete disclosure/discovery—‘to interfere with justice’ and that you had these consents as presentable, material fact before you brought your charges or made your claims.. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

And to further underline the malfeasance being demonstrated by the taking of our property—intangible and real to ensure subjugation and to extort us, we cite the 1677 Statutes of Fraud Act, Sir John Stuart and we cite Lord Denning 1954 Lazarus v. Beazley and we refer you again to the Facts including the }UK 2006 Fraud Act, Part 35, section 2—F RAUD by ABUSE of POSITION (1)A person is in breach of this section if he—(a) occupies a position in which he is expected to safeguard, or not to act against, the financial interests of another person, (b) dishonestly abuses that position, and (c) intends, by means of the abuse of that position—(i) to make a gain for himself or another, or (ii) to cause loss to another or to expose another to a risk of loss. (2) A person may be regarded as having abused his position even though his conduct consisted of an omission rather than an act.

Fraud is a deliberate action to defraud where the victim of the crime is unaware having no knowledge of a situation or fact. This crime carries a penalty of incarceration for 7 to 10 years and the latter, where there is multiple instances of. 64.1 million people are subject to this crime everyday as it is now commonplace and is carried out by the largest and most ruthless criminal company in this country. This same company is also a public office with the enforcement to execute this crime which is inclusive of but not limited to:- The office of the police, The office of the Judiciary, Local government and central government. Independent Bailiff Companies which are licensed by the same company.

3. We have noted a claim of exemption from the 1677 Statutes of Frauds Act with a grant of Power of Attorney or contract for the trespass not declared in signed writing—176 Anno vicefimo nono...or any uncertain Interest of, in, to, or out of any Messuages, Manors, Lands, Tenements or hereditaments made or created by Libery and Seisin onely, or by parole, and not put in Writing, and Signed by the parties to making or creating the same, or their Agents thereunto lawfully authorized by Writing, shall have the force and effect of Leases, or Estates at Will only, and shall not either in Law or Equity be deemed or taken to have any other or greater force or effect ; And of exemption—from the UK 1882 Bills of Exchange Act Section 23—Signature essential to liability ; MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

We now refer you to Exhibit (A) of the Affidavit which defines that profiteering contravenes the UK 2006 Fraud Act. We should also point out to you that it is a direct contravention of the UK 2000 Terrorism Act, s.15 Fund raising is an offence if a person invites another to provide money or other property and intends that it should be used for the purposes of terrorism. Insisting or demanding payment without a pre existing commercial arrangement which is based on presentable fact in the form of a commercial agreement is an act of deception. Payment is a commercial activity. We are not in the habit of knowingly conspiring to fraud or knowingly funding terrorism. This action would also create a liability against us.

MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has made claim/demand of indebtedness/for payment, but has not presented Us with a valid and legal Bill—predicated upon a pre existing commercial contract or collateral contract or any agreement—which is recognised under the Bills of exchange act of 1882. Because there is no commercial arrangement in place under which to raise a Bill for a bill to arise is also a direct violation of the 1882 Bills of Exchange Act. Additionally without the wet ink signed commercial arrangement and Bill presented, this Act would also be a contravention of the UK 2006 Fraud Act and to demand payment—under threats—contravenes the UK 2000 Terrorism Act. We are not in the habit of knowingly conspiring to fraud and/or terrorism. See Bills of exchange act of 1882. <http://www.legislation.gov.uk/ukpga/Vict/45-46/61>.

A claim of ‘contractual obligations being a non-judicial matter.

UTTERING’ as act(s) contra the 1861 Forgery Act—Whosoever, without lawful authority or excuse (the proof whereof shall lie on the party accused), shall in the name of any other person acknowledge any recognizance or bail, or any cognovit, actionem, or judgment, or any deed or other instrument, before any court, judge, or other person lawfully authorized in that behalf, shall be guilty of felony.

4. We have noted a claim of exemption under sections) Act c.34, s.2—Contracts for sale etc. of 1989 UK Law of Property (Miscellaneous Provisions) Act c.34, s.2—Contracts for sale etc. of 1989 UK Law of Property (Miscellaneous Provisions) Act c.34, s.2—Contracts for sale etc. of MR JOHN JIM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

From Exhibit (D) of the Affidavit and Statement of Fact for Case Authority WI-05257F. 30d of May 2013 it is evident there is due process for the execution of legal and commercial documents. Where these processes are not followed then the very presence of a document which does not comply with these processes, is itself is the physical and material evidence of Malfeasance in a public office and fraud. We would point your attention to the FACTs that a corporation must execute documents legally and failure to do so renders the documents non legal and void—(1) Under the law of England and Wales or Northern Ireland a document is executed by a company—(a) by the affixing of its common seal, or (b) by signature in accordance with the following provisions. (2) A document is validly executed by a company if it is signed on behalf of the company — (a) by two authorised signatories, or (b) by a director of the company in the presence of a witness who attests the signature. (4) A document signed in accordance with subsection (2) and expressed in whatever words, to be executed by the company, has the same effect as if executed under the common seal of the company. The legal effect of the statute is that documents and deeds must be signed on behalf of the company by a director in the presence of a witness, or by two authorised signatories. Without adherence to these provisions no contracts can be considered duly executed by a company and their terms are therefore legally unenforceable.

We would refer you to the 1885 Weller versus Stone case which, drawing on the Statutes 13E of Usury and 27E of Fraud whereby all the Judges of England agreed “yet where there is usury, or fraud, or covin ; they may be averred so to be against any act whatsoever.” We cite 2019 Bates and Others versus Post Office Limited and 2021 Josephine Hamilton and Others versus Post Office Limited whereby fraud by concealment of data was found ; We cite Lord Denning 1954, Lazarus v. Beasley “Fraud unravels everything” ; And we cite Sir John Stuart ‘when tender has been made the mortgagee has not entitlement to proceed to sale ‘ ; Continuing, in 1982 1 KB 245, 2 GIFF. 99 Where a mortgagee, after tender of his principal and interest... the Court set the sale aside against him and a person who had bought with knowledge of the tender, 2. A purchaser who buys with knowledge of circumstances sufficient against the mortgagee to invalidate the sale, becomes a party to the transaction and is not protected by the proviso that the purchaser need make no inquiry. 3. Where the costs are unascertained and the security ample, a mortgagee, after a tender of principal and interest, is not entitled to proceed with the sale; And the 1677 Statute of Frauds Act—176 Anno vicefimo nono ... or any uncertain Interest of, in, to, or out of any Messuages, Manors, Lands, Tenements or hereditaments made or created by Libery and Seisin onely, or by parole, and not put in Writing, and Signed by the parties to making or creating the same, or their Agents thereunto lawfully authorized by Writing, shall have the force and effect of Leases, or Estates at Will only, and shall not either in Law or Equity be deemed or taken to have any other or greater force or effect ; We draw to your attention to the detail of the 11 March 2019 thro 2 July 2019 case reference HQ16X01238, HQ17X02637 and HQ17X04248 in the high court before Mr Justice Fraser of ‘Bates and Others versus Post Office Limited’[POL]—a company wholly owned by HM Government—wherein despite the fraud and circumvention of POL to conceal discovery, Bates and Others won their case. Mr Stuart Wentworth QC in questioning Mr. Alan Bates cites an “information sheet”—which is not a contract of reciprocity—that ‘postmaster responsible for losses’. Questioning Mrs Pam Stubbs she is referred by Mr Wentworth to section 19 paragraph 4 of a POL contract. Further in the 23 April 2021 appeal in the high court of ‘Josephine Hamilton and Others’ Mr Justice said in quashing their convictions for the above ‘fraud and circumvention of POL to conceal discovery’ “there was no examination of the data, bugs, errors or defects...there was no proof of an actual loss as opposed to an Horizon generated shortage. Even more alarming POL’s own investigator has reported there was no evidence of a theft. We conclude Mrs Hamilton’s prosecution was unfair and an affront to justice.” ; & The judgment in Bates v Post Office Ltd (No.3: Common Issues) [2019] EWHC 606 (QB) delivered by Mr Justice Fraser was highly critical of the Post Office stating that it showed ‘oppressive behaviour’ in response to claimants who had been dismissed for accounting errors they blamed on the Horizon system [§517]. He went on to say that the submissions provided by the Post Office paid ‘no attention to the actual evidence, and seem to have their origin in a parallel world’ [§138], that the Post Office ‘seemed to adopt an extraordinarily narrow approach to relevance, generally along the lines that any evidence that is unfavourable to the Post Office is not relevant’ [§34], feared ‘objective scrutiny of its behaviour’ [§28] and operated with a ‘culture of secrecy and confidentiality’ [§36] ; Further after the above cases and long after the acts of POL against the sub post masters, it was brought to the attention of Lord James Arbuthnot and the POL Forensic accountant, that within an independent legal advice report commissioned by POL in the Summer of 2013—and concealed by POL—that POL were in full knowledge, and not only failed to disclose but continued their acts, along the lines of the unsafe convictions already given to sub post masters and to those currently being pursued by POL. We cite Lord Arbuthnot ‘POL lied to and were in contempt’. As stated above, it should also be kept to the forefront of mind that POL being owned by HM Government and the judiciary being one sub-office of HM Government that HM Government was fully cognizant with these matters throughout. Equally for those whose property including real property was wrested from them on the claims and non disclosures—that is the concealment—[for non disclosure seems anodyne] of POL, HM Land Registry is also owned by HM Government, and a party to the fraud. We, having previously cited cases where Charles A Nunn CEO of Lloyds bank, act contra, the 1677 Statutes of Frauds act including when in 1721 the Lord Chancellor dismissed the Bill, it appearing that as the Agreement was made in Writing, it was unequal and against Reason. And 1720 Lord Macclesfield ‘Court of Equity will not decree execution of articles where they appear to be unreasonable or are founded on a fraud—for that would be to decree Iniquity. Sir John Stuart and Lord Denning 1956 [Lazarus vs. Beasley] "No court in this land will allow a person to keep an advantage which he has obtained by fraud. No judgment of a court, no Order of a Minister can be allowed to stand if it has been obtained by Fraud, fraud unravels everything..." And now we

add the citation of Bates and Others vs. Post Office Limited to an already large body of court case material. The fraud of concealment

is of no less significance than the fraud of presenting false instruments. That we have brought this to your attention, including the refusal of Charles Alan Nunn contra 2018 GDPR Act and the controllers law is, it seems a further reason to act against us contra the 2010 Equality act for, as in the cases of POL, Charles A Nunn CEO of Lloyds should they be able to substantiate their claims, would have no reason for concealment or for the preventing of their further acts of fraud should they reveal, by disclosure, an absence of any lawful right to act against us and our property—this includes the claims of Charles A Nunn CEO of Lloyds that they and their agents have a right to use force against our corporeal property and our real property. A Court of Equity considers iniquitous those contracts/agreements which appear to be unreasonable or are founded on a fraud—for that would be to decree Iniquity.

Referencing the UK 2006 Fraud Act, Part 35, section 2--FALSE REPRESENTATION A representation is false if—(a) it is untrue or misleading, and (b)the person making it knows that it is, or might be, untrue or misleading. (3)“Representation” means any representation as to fact or law, including a representation as to the state of mind of—(a)the person making the representation, or (b)any other person.

We refer you to Exhibit C of the David Ward Affidavit where under the —Including the taking of Our property of data and using it as your own without Our knowledge or consent, the threats against Our property and the further claims to benefit a private Corporation/State and extorting money with neither signature nor contract is an act of force ***in terrorem***.

5. We have noted a claim of exemption from the UK 2006 Companies Act, including section 44, the Execution of documents ; . MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.
6. We have noted a claim of exemption under UK Public General Acts—from the UK 1998 Public Interest Disclosure Act, section 43B (1) ; he disclosure, tends to show one or more of the following—(a)that a criminal offence has been committed, is being committed or is likely to be committed, (b)that a person has failed, is failing or is likely to fail to comply with any legal obligation to which he is subject, (c)that a miscarriage of justice has occurred, is occurring or is likely to occur ; And 2006 Fraud Act, including sections 2-Failing to disclose information ; And 4-Abuse of position MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

By failing to disclose all information including that which shews facts contra to your claims and by failing to supply information under Subject Access Requests, these acts, for omission is still an act, brings in to force the of refusal to complete disclosure/discovery—Acts with knowledge to interfere with justice contra, inc., the 1998 Public Interest Disclosure Act, section 43B (1), In this Part a “qualifying disclosure” means any disclosure of information which, in the reasonable belief of the worker making the disclosure, tends to show one or more of the following—(a)that a criminal offence has been committed, is being committed or is likely to be committed, (b)that a person has failed, is failing or is likely to fail to comply with any legal obligation to which he is subject, (c)that a miscarriage of justice has occurred, is occurring or is likely to occur ;

Under UK 2006 Fraud Act, Part 35, section 3—Fraud by failing to disclose information A person is in breach of this section if he—(a) dishonestly fails to disclose to another person information which he is under a legal duty to disclose, and (b) intends, by failing to disclose the information—(i)to make a gain for himself or another, or (ii)to cause loss to another or to expose another to a risk of loss.

We cite Lord Denning, Lord Chief Justice ‘1956, Lazarus v Beasley’ “No court in this land will allow a person to keep an advantage which he has obtained by fraud. No judgment of a Court, no Order of a Minister can be allowed to stand if it has been obtained by Fraud, Fraud unravels everything.”

We would refer you to the 1885 Weller versus Stone case which, drawing on the Statutes 13E of Usury and 27E of Fraud whereby all the Judges of England agreed “yet where there is usury, or fraud, or covin ; they may be averred so to be against any act whatsoever.” We cite 2019 Bates and Others versus Post Office Limited and 2021 Josephine Hamilton and Others versus Post Office Limited whereby fraud by concealment of data was found ; Sir John Stuart and we cite Lord Denning 1954, Lazarus v. Beasley “Fraud unravels everything” ; And we cite Sir John Stuart ‘when tender has been made the mortgagee has not entitlement to proceed to sale ‘ ; Continuing in 1982 1 KB 245, 2 GIFF. 99 Where a mortgagee, after tender of his principal and interest... the Court set the sale aside against him and a person who had bought with knowledge of the tender.

We draw to your attention the 11 March 2019 thro 2 July 2019 case reference HQ16X01238, HQ17X02637 and HQ17X04248 in the high court before Mr Justice Fraser of ‘Bates and Others versus Post Office Limited’[POL]—a company wholly owned by HM Government—wherein despite the fraud and circumvention of POL to discovery, Bates and Others were successful in exposing the fraud and concealment and usury and iniquitous contracts to the wider gaze. Mr Stuart Wentworth QC in questioning Mr. Alan Bates cites an information sheet—which is not a contract of reciprocity—that ‘postmaster responsible for losses’. Questioning Mrs Pam Stubbs she is referred by Mr Wentworth to section 19 paragraph 4 of a POL contract. Further in the 23 April 2021 appeal in the high court of ‘Josephine Hamilton and Others’ Mr Justice said in quashing their convictions for the above

7. We have noted a claim of exemption under UK Public General Acts—1862 Conveyance of Real Estates Act not least sections 138, 106 107 and 105— If in an Proceeding to obtain the Registration of an Land or any Land Certificate or Certificate of Title, or otherwise in any Transaction relating to Land which is or is to be put upon the Registry, any Person acting either as Principal or Agent shall, knowingly and with Intent to deceive, make or assist or join in or be privy to the making of any material false Statement or Representation, or suppress, conceal, or assist or join in or be privy to the suppressing, withholding, or concealing from any Judge, or the Registrar, or any Person employed by or assisting the Registrar, any material Document, Fact, or Matter of Information, every Person so acting shall be deemed to be guilty of a Misdemeanor... Mr Stuart Wentworth QC in questioning Mr. Alan Bates cites an “information sheet”—which is not a contract of reciprocity—that ‘postmaster responsible for losses’. Questioning Mrs Pam Stubbs she is referred by Mr Wentworth to section 19 paragraph 4 of a POL contract. Further in the 23 April 2021 appeal in the high court of ‘Josephine Hamilton and Others’ Mr Justice said in quashing their convictions for the above ‘fraud and circumvention of POL to conceal discovery’ “there was no examination of the data, bugs, errors or defects...there was no proof of an actual loss as opposed to an Horizon generated shortage. Even more alarming POL’s own investigator has reported there was no evidence of a theft. We conclude Mrs Hamilton’s prosecution was unfair and an affront to justice.” ; & The judgment in Bates v Post Office Ltd (No.3: Common Issues) [2019] EWHC 606 (QB) delivered by Mr Justice Fraser was highly critical of the Post Office stating that it showed ‘oppressive behaviour’ in response to claimants who had been dismissed for accounting errors they blamed on the Horizon system [§517]. He went on to say that the submissions provided by the Post Office paid ‘no attention to the actual evidence, and seem to have their origin in a parallel world’ [§138], that the Post Office ‘seemed to adopt an extraordinarily narrow approach to relevance, generally along the lines that any evidence that is unfavourable to the Post Office is not relevant’ [§34], feared ‘objective scrutiny of its behaviour’ [§28] and operated with a ‘culture of secrecy and confidentiality’ [§36] ; Further after the above cases and long after the acts of POL against the sub post masters, it was brought to the attention of Lord James Arbuthnot and the POL Forensic accountant, that within an independent legal advice report commissioned by POL in the Summer of 2013—and concealed by POL—that POL were in full knowledge, and not only failed to disclose but continued their acts, along the lines of the unsafe convictions already given to sub post masters and to those currently being pursued by POL. We cite Lord Arbuthnot ‘POL lied to and were in contempt’. As stated above, it should also be kept to the forefront of mind that POL being owned by HM Government and the judiciary being one sub-office of HM Government that HM Government was fully cognizant with these matters throughout. Equally for those whose property including real property was wrested from them on the claims and non disclosures—that is the concealment—[for non disclosure seems anodyne] of POL, HM Land Registry is also owned by HM Government, and a party to the fraud. We, having previously cited cases where Charles A Nunn CEO of Lloyds bank, act contra, the 1677 Statutes of Frauds act including when in 1721 the Lord Chancellor dismissed the Bill, it appearing that as the Agreement was made in Writing, it was unequal and against Reason. And 1720 Lord Macclesfield ‘Court of Equity will not decree execution of articles where they appear to be unreasonable or are founded on a fraud—for that would be to decree Iniquity. Sir John Stuart and Lord Denning 1956 [Lazarus vs. Beasley] "No court in this land will allow a person to keep an advantage which he has obtained by fraud. No judgment of a court, no Order of a Minister can be allowed to stand if it has been obtained by Fraud, fraud unravels everything..." And now we add the citation of Bates and Others vs. Post Office Limited to an already large body of court case material. The fraud of concealment is of no less significance than the fraud of presenting false instruments. That we have brought this to your attention, including the refusal of Charles Alan Nunn contra 2018 GDPR Act and the controllers law is, it seems a further reason to act against us contra the 2010 Equality act for, as in the cases of POL, Charles A

Nunn CEO of Lloyds should they be able to substantiate their claims, would have no reason for concealment or for the preventing of their further acts of fraud should they reveal, by disclosure, an absence of any lawful right to act against us and our property—this includes the claims of Charles A Nunn CEO of Lloyds that they and their agents have a right to use force against our corporeal property and our real property. A Court of Equity considers iniquitous those contracts/agreements which appear to be unreasonable or are founded on a fraud—for that would be to decree Iniquity.

Referencing the UK 2006 Fraud Act, Part 35, section 2--FALSE REPRESENTATION A representation is false if—(a) it is untrue or misleading, and (b)the person making it knows that it is, or might be, untrue or misleading. (3)“Representation” means any representation as to fact or law, including a representation as to the state of mind of—(a)the person making the representation, or (b)any other person.

8. We have noted a claim of exemption under UK Public General Acts—1862 Conveyance of Real Estates Act not least sections 105, 106 107 and 138—If any Person fraudulently procures, assists in fraudulently procuring, or is privy to the fraudulent Procurement of any Order of the Court of Chancery in relation to registered Land, or fraudulently procures, assists in fraudulently procuring, or is privy to the fraudulent Procurement of the Entry on the Register of any Caveat or Notice of a Charge, or of the Erasure from the Register or Alteration on the Register of any Caveator Notice of a Charge, such Person shall be deemed to be guilty of a Misdemeanor ;and any Order procured by Fraud, and any Act consequent on such Order, and any Entry, Erasure, or Alteration so made by Fraud, shall be void as between all Parties or Privies to such Fraud including concealment of any Agreement, Or any collateral agreement Or promise Or Contract including for Sale of Land, of an accounting ledger showing detail of a Contract/Agreement/Obligation, of mutual consideration shewn, all wet-ink signed to include an Outstanding balance, balance due, Bills raised, outstanding, missed payments made, owed on your account, arrears—for us to peruse and rebut. 9. We have noted a claim That the HM Courts & Tribunal Services Corporation/State is not inferior to or one sub-office of HM Government plc ; And that the statement by the Hon. Sir Jack Beatson FBA, at that time the head of the judiciary, was false, in his address to Nottingham University, the private corporations/states of the Executive and legislature are superior to the judiciary by way of re-examination of the relationship. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.
10. We have noted a claim contra the statement made by Chandran Kukathas in positing that HM Government plc is an entity, a Corporation/State. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

We would draw attention to the Contempt of Court Reporting Restriction, "Civil contempt refers to conduct which is not in itself a crime, but which is punishable by the court in order to ensure that its orders are observed. Civil contempt is usually raised by one of the parties to the proceedings. Although the penalty for civil contempt contains a punitive element, its primary purpose is coercion of compliance. We would add that the use of force in a civil matter is a wilful and belligerent act of terrorism and the above Contempt of Court Reporting Restrictions further prevent a judge from holding us in contempt in a civil matter.

11. We have noted a claim of right to act in contempt of court—in concealment of valid, presentable material evidence—including that data requested through Subject Access Requests, wet ink signed contracts, presenting signed Bills, all accounting documents, ledgering—for the principal legal embodiment of us to peruse and rebut to the bias to the detriment of MRS YVONNE HOBBS. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC has an obligation of service in the position of CEO for SAVILLS PLC to provide the valid, presentable material evidence to support this claim.

Whilst we bring these your acts contra the Statures of your corporation and the corporation/state of HM Government to your attention We would draw your attention to Exhibit (G) of the Affidavit of Truth and statement of Fact--A castle doctrine (also known as a castle law or a defence of habitation law) is a legal doctrine that designates a person's abode (or any legally-occupied place [e.g., a vehicle or workplace]) as a place in which that person has certain protections and immunities permitting him or her, in certain circumstances, to use force (up to and including deadly force) to defend themselves against an intruder, free from legal responsibility/prosecution for the consequences of the force used.[1] Typically deadly force is considered justified, and a defence of justifiable homicide applicable, in cases "when the actor reasonably fears imminent peril of death or serious bodily harm to him or herself or another".

Failure to provide the valid presentable, material evidence to support the above listed claims made by MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC in the next SEVEN (7) days will enter MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC in to a lasting tacit agreement through acquiescence to the following effect:

Please make remedy by way of commercial instruments or personal cheque to the above address. If this is by personal cheque then please make the cheque in the name of Yvonne Hobbs.

If you MR JOHN JM RIDLEY (CLAIMANT) elect not to resolve this matter and debt in the next seven (7) days from the receipt of this correspondence then seven (7) days later we will issue a further reminder as you MR JOHN JM RIDLEY (CLAIMANT) are in default of your agreement and your agreed obligation. There shall be a proceeding to the Notice of Default.

In the event where MR JOHN JM RIDLEY (CLAIMANT) elects not to make settlement THEN it will be noted that MR JOHN JM RIDLEY (CLAIMANT) has formally and of their own free will and without coercion elected to stand as a surety for a security by way of a Lien on the estate of MR JOHN JM RIDLEY (CLAIMANT) and by way of the sins of the father extended to the seventh generation where there may be an attachment of earning on your Grand Children's Grand Children's Pension.

It is not our intent to place you MR JOHN JM RIDLEY (CLAIMANT) in a state of distress or cause any distress loss or harm by this legal action. MR JOHN JM RIDLEY in the position of CEO for SAVILLS PLC—we have expressed the criminal offences and there is an obligation to resolve. We have also noted that others in association are also complicit in the same criminal offences. Whomever is complicit in any criminal offences also carries the obligation to bring those also complicit in the same criminal offences to resolution.

This may be viewed to be an excessive action to take as a remedy but we bring your attention back to the affidavit Exhibit (F) No Body gets Paid. The Bank of England note GBP is based upon confidence and Belief where belief is a concept in the abstract which is of no material substance. So is this an excessive action where there is no monetary value. <http://bit.ly/1WV48P> No injury loss or harm can be caused by the action. This is just numbers of no commercial significance as there cannot be commerce without money and there is no such thing as money so there is no such thing as economics.

It could be said that to take this action is to destabilise the economy. WHAT economy? The destabilization of the economy was done generations ago when the government licensed fraudulent Banking Practice—by that we mean Federal Reserve Banking practices, fractional lending and quantitative easing.

We did ask ourselves “Are we committing Fraud” Our response to this was. “Is there full disclosure?” YES. “Is there an agreement between the parties as a result of that disclosure?” YES. “Is there any injury loss or harm?” NO. Then there is no fraud.

Are we destabilising Government? See above. Without the consent of the governed on and for the record then there is no governed and no government by default. What Government? See Exhibit under the affidavit Exhibit (H). Without a valid and accountable government then there is no such thing as the public or the public purse.

MR JOHN JM RIDLEY (CLAIMANT) we have expressed the criminal offences and there is an obligation to resolve. MR JOHN JM RIDLEY (CLAIMANT) is either by wilful intent or ignorance from this day forward is not a fit and proper person to be in a position of trust. Ignorance of the law is no defence.

MR JOHN JM RIDLEY (CLAIMANT) You have seven (7) days to make reparation for your criminal offences. Seven (7) days after that there will be a legal notice of default. Seven (7) days after that there will be a security by way of a lien.

We await your response. Silence creates a tacit and binding agreement through acquiescence.
